

## Gov. Kerner Grants Clemency For Hodge

Action On Parole For  
Former State Official  
Expected In January

Orville E. Hodge, in a telephone interview with a Press-Record reporter today, said Christmas greetings to his family and friends in the Quad-Cities.

"I won't be home for Christmas," Hodge said, "but I wish all my friends there who have been so very kind to me a happy holiday season. I hope to return to Granite City soon. There are a lot of wonderful people there who I believe have forgiven me. I have a lot to make up."

Hodge expressed his appreciation to Gov. Otto Kerner and the state parole board and to all those who had helped in the commutation of his sentence. He said he is grateful to Warden Ross Randolph for letting him talk freely with reporters.

"I feel great about it," Hodge said. "Now I can come back home. I've lived in Granite City almost all my life. I want to make amends to my family and friends. I've still got to go before the (parole) board, but what the board recommends a cut, it almost automatically means a parole."

Hodge said he believes his release from prison will be of great benefit to his poor physical condition. "I'm always under medication," he said. "I had a seizure last Friday and was in the hospital two days. I'm very careful about my health. I'm on a diet and I've been hospitalized every once in a while, but I hope the tension will be alleviated somewhat now."

Gov. Otto Kerner granted executive clemency yesterday to former state auditor Orville E. Hodge, clearing the way for possible parole from the Illinois State Prison at Joliet in January. Relatives were waiting for his return to Granite City.

The governor said Hodge's repeated poor health was the sole reason for his decision. He reduced Hodge's minimum sentence from 12 to 10 years, making him eligible for parole immediately. Hodge would have been eligible for parole next November.

Hodge, a Granite Cityan, began a 12-15 year sentence at Menard Aug. 26, 1966, upon conviction of stealing \$150,000 from the state treasury by issuing false checks. Two previous requests for clemency had been denied by Gov. Kerner.

Parole Hearing Jan. 9  
Hodge has been scheduled for a parole hearing Jan. 9 at Menard. A final decision on his application for parole could come at a meeting of the State Board of Pardons and Paroles in Springfield Jan. 16. Parole normally takes a week to 10 days after a parole is granted by the board.

In announcing his action at a press conference yesterday morning, Gov. Kerner said because of Hodge's physical condition the former state official might not be able to perform a useful position in society if forced to serve another year in prison.

Hodge's Health Considered  
"My decision is based solely and exclusively on the condition of Mr. Hodge's health," Gov. Kerner said.

"Governors of this state, including myself, have always been willing to give weight to the state of a prisoner's health when so requested," the governor continued. "Mr. Hodge is entitled to the same consideration as any other prisoner."

The issue of Hodge's health was first brought up at a hearing before the parole board on Oct. 10. Hodge, 58, is reportedly suffering from ulcers, a kidney ailment, tension and nervous depression. As recently as Tuesday he was reported to be ill and in need of surgery.

## Thomas McGee New Treasurer For Levee District

Thomas McGee, an unsuccessful candidate for the East Side Levee & Sanitary District board of trustees in the 1960 general election, was appointed levee board treasurer last night.

McGee, 701 Broadway, a Venice resident who is employed by the Southwestern Bell Telephone Co., Granite City, replaced Granite City realtor Gerald Kent, who resigned last month in disagreement with the board over the transfer of \$890,000 of interest-bearing accounts from banks here and in St. Louis to non-interest accounts at the Illinois State Bank of Quincy, which is outside the district.

Kent's resignation from the \$2000-a-year post was accepted during a levee board meeting last night. McGee will complete Kent's term, which expires Dec. 31, and is expected to be reappointed to a full term at the board's reorganization meeting early in January.

Payment To Contractor  
In other action last night the board approved final payment of \$23,283 to the Joseph P. Keeley Contracting Co., contractors for the Rosemont sanitary trunk sewer line known as project 11-1. Total cost of the work was listed at \$23,282.

A 1957 suit for damages to property along the shore of Horseshoe lake, brought by William Nichols, Philip Liston, Charles Liston, Roy Walker and August Brunis Jr., was settled for \$1500 by agreement of both parties, it was reported.

The suit against the district was brought following the June 1967 flood, with the plaintiffs seeking \$6500 in damages. Payment of the \$1500 settlement was approved by the levee trustees, with the provision that it be made out of the district's general fund in February 1968.

## Full Production Resumed Today At A. O. Smith Plant

Full production on all three shifts is being resumed today at the local A. O. Smith Corp. auto frame manufacturing plant. A three-day work stoppage, which started Sunday, ended at 11 p.m. Tuesday.

Strict adherence to the company-union agreement in disciplinary action or in disputes or grievances was stressed in a joint statement issued yesterday morning by union and company officials.

The joint statement was issued by Carl M. Archer, president of Boilemakers Local 575, and Anthony P. Trele, personnel manager for the company. A few hundred workers were called back to their jobs today morning to prepare for the return to production today. All 1400 production and maintenance workers of the 1500-employee plant are scheduled for shift today.

Under the agreement reached Tuesday night, the company has withdrawn the suspension of 10 employees who were notified of their suspension on Saturday. The union is to withdraw the unfair labor practice charge filed Monday morning with the National Labor Relations Board.

A meeting of the union membership was held yesterday afternoon at the Labor Temple, during which Archer explained the settlement reached Tuesday night during a meeting with company officials.

Yesterday's meeting was attended by about 300 members, compared to the 1200 present at the Labor Temple for a mass meeting Monday afternoon. At that meeting, while no formal vote was taken, the membership presented no opposition to the settlement of a picket line, Archer said.

Settlement Terms  
The settlement reached Tuesday night includes the following provisions:

"The company has agreed in the future to take disciplinary action at the plant in accordance with disciplinary provisions of the agreement."

"In the future, any dispute or grievance under the agreement will be handled by the union under the established grievance procedure."

Picketing at the plant began on Sunday after 10 men, most of them power truck operators, received telegrams at home advising them of suspension. They had left the plant upon completion of their shift.

## Community Coach To Cutback Two Local Bus Routes

Community Coach Co. has announced cutbacks of two bus routes, effective Saturday, Dec. 22. A company spokesman said they are not producing revenue equal to costs incurred.

The "East Granite" bus route will be discontinued on Sundays and holidays only, the company said. Service on other days will continue.

The "Stock yards-West Granite" route operated on a split 10-35 p.m. schedule and also will be eliminated, although regular runs on the route will be continued.

The decision to eliminate the routes was made only after a thorough study, the company spokesman said. "The cost involved and the lack of revenue produced made it necessary," he added.

Burglars rifled the front window and display cases of Horseshoe Jewels, 1924 State street, Tuesday night, and made off with merchandise valued at approximately \$500. The burglary was discovered shortly before 8 p.m. Wednesday by Arnold Masch, who operates a shoe store next door.

Entry was gained by smashing a small window in the rear of the building. Once inside, the thieves rifled show cases and the front window display.

## Election On Formation Of Village Saturday

Conflicting Data On  
Pontoon Beach Taxing,  
Annexation Prospects

Proposed creation of a fourth local incorporated municipality—the village of Pontoon Beach—will be the subject of a special election Saturday morning at the Long Lake fire hall, 4113 Pontoon road, will be 6 a.m. to 6 p.m. Defeat would leave the area unincorporated.

Incorporation advocates led by Willard Hicks have said the village plan is the only way to avoid annexation by Granite City. They contend the tax burden would be less than if the area became a part of the city, and they say that few benefits would be derived from being in the city. All three statements have been challenged, but the opposition is not organized and the Hicks group is forecasting a favorable vote.

Comprising not quite a half-square-mile, the area is bounded on the north by the Nameoki-Chouteau township border, on the east by State Highway 111, on the south by the Illinois Central Railroad right-of-way north of Route 162, and on the west by the western lines of Sections Two and Eleven.

The section lines cut through a curve of Long Lake, but several homes on the western edge of the lake are within the proposed village area.

Most of the rectangular village tract is east of the lake and runs north and south for a mile and two-thirds. The quarter-mile-wide northern boundary is located about halfway between Pontoon Beach and Granite City.

Non-Sanitary Officials  
With each side it would be pitting the proposed village against the present \$3,573 tax rate by a penny, elected officials and some appointed employees would be asked by the residents to serve without pay or for \$1 a year.

Residents urging approval of incorporation have pledged economic and services limited to those which are wanted by a majority of the people. However, the gauge did register a trace of precipitation, which is less than a hundredth of an inch.

Yesterday's snow flurries were the first of the season. With a brisk wind last night, the snow drifted in places, and streets and highways were slippery with packed snow at scattered locations. It was reported by local and state authorities.

BIRTHS  
Births recorded at St. Elizabeth Hospital:

GIRLS  
Mr. and Mrs. David Stover, 2917 Harding avenue, Dec. 3, Carol Lorraine, six pounds, 11 ounces.

Mr. and Mrs. Beryl Wheatley, 4114 Rode avenue, Dec. 4, twins, Karrie Lynn, four pounds, 15 ounces, Kelly Lee, four pounds, 15 ounces.

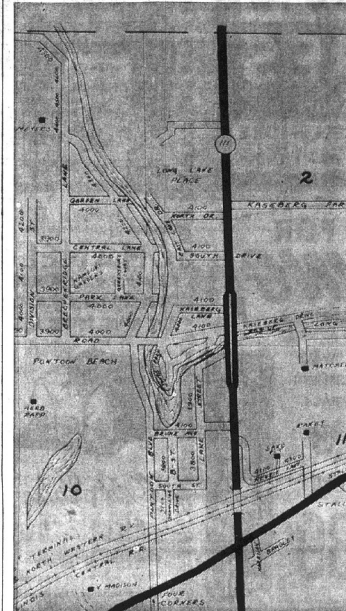

Mr. and Mrs. Paul Williams, 1922 Benton street, Dec. 5, Tamara Denise, seven pounds, 13 1/2 ounces.

Mr. and Mrs. Gerald Mayberry, 1367 Norwood drive, Dec. 5, Rene Lynn, six pounds, 10 ounces.

Mr. and Mrs. Louis Clay, 2413 Edwards street, Dec. 5, Rebecca Norene, seven pounds, four ounces.

BOYS  
Mr. and Mrs. William Null, 1105 Kirkpatrick homes, Dec. 3, James Wayne, seven pounds, six ounces.

Mr. and Mrs. Ronald Grider, 800 State street, Madison, Dec. 3, Scott Timothy, eight pounds, nine ounces.

BOUNDARIES OF PROPOSED VILLAGE to be voted on Saturday are the Illinois Central railroad tracks at the south, State Route 111 on the east, the Nameoki township limits (broken line at top of map) on the north and the section line between Sections Two and Eleven on the west. The section line intersects with Lake drive, East Lake drive, South drive, Kasberg lane, Pontoon road, James Park, Brune avenue, Lake street, South street and Sunnyside drive, as well as the thin sliver of the Nameoki Gardens area west of the lake but east of the section line. Other streets are outside the boundaries and are shown to aid in identifying the general location.

## First Snow of Season Recorded As 'Trace'

Snow flurries which fell briefly yesterday morning and afternoon increased slightly during the night but failed to total even a hundredth of an inch at the gauge maintained by the Corps of Engineers at the Chain of Rocks canal locks.

However, the gauge did register a trace of precipitation, which is less than a hundredth of an inch.

Yesterday's snow flurries were the first of the season. With a brisk wind last night, the snow drifted in places, and streets and highways were slippery with packed snow at scattered locations. It was reported by local and state authorities.

## 7 Hurt In Area Traffic Accidents

Seven injuries were reported in four of 16 traffic accidents occurring in the local area this week.

Norma Martinez, 28, of 2228 Alexander street, and Nellie Mitchell, 20, of 2225 Alexander street, were injured about 11:30 p.m. Wednesday when the auto in which they were riding was involved in an accident on Colfax road, one mile west of Route 111. The driver, Glenn Conway, 20, of 2236 Alexander street, was not injured.

State police said her auto, traveling west, collided with an eastbound auto driven by James Neuhoff, 40, of East St. Louis, who was not injured.

Nancy Hefflin of St. Louis, was injured slightly about 3:45 p.m. Tuesday in an accident on Madison avenue at 30th street. She said the auto in which she was riding, driven by Leslie J. Richard, 17, St. Louis, stopped at a red light and was struck from the rear. Police said the other auto was driven by Jesse Martin, 28, of 2029 Johnson road.

Three persons including a Quad-Cityan, were injured in a double accident near French Village Monday evening. Richard Dew, 18, of 2005 Troy road, Madison, was admitted to a local hospital.

## State Sets 1964 Deadline For GC Treatment Plant

(Special From Springfield)

A deadline of July 1, 1964, for Granite City to halt pollution of the Mississippi River was handed down Tuesday by the state Sanitary Water Board.

The deadline will be relaxed only if the city can show adequate sewage treatment works under construction, on that date. Failure to comply with the order could cause the Sanitary Water Board to seek a court contempt citation, resulting in a \$200 daily fine against the city.

Bond Evidence By June  
The board decision was announced by Clarence W. Klassen, technical secretary of the board, who said Granite City must submit evidence of bond issue authority and a schedule of sewage treatment facilities construction by June 1, 1963.

Up To The City  
Action against the city was based on evidence given at a public hearing in Springfield on Oct. 25 before Klassen as hearing officer. The board also conducted its own investigations.

Klassen commented the next step is "up to the city." Council action must be taken at Monday night's meeting to seek proposals on sewage treatment plant construction from two engineering firms—a day before the order was handed down.

He stated that the city was advised following the Oct. 25 hearing that its failure to meet a timetable set up in 1958 would result in an abatement by the state.

Extension Ban Still On  
The commission's order Tuesday said the city must not interfere with the time being with July 1, 1961, order banning extensions of the city's sewer system.

The Oct. 25 hearing was called three weeks after Granite City and voted down a revenue bond proposed for separate storm water and sanitary sewers and a sewage plant.

The Sanitary Water Board on Tuesday also took action ordering the city of Paxton to discontinue the discharge of industrial waste into the tributaries of the Vermilion River by Jan. 1, 1964.

## Venice Crossing Case Postponed To April 17

(Special From Springfield)

A new postponement in Illinois Commerce Commission hearings on the Venice railroad crossing was announced yesterday, when a hearing had been scheduled.

The hearing was postponed until Wednesday, April 17. Railroads have sought to make the closing of the Main street crossing permanent and to reduce the number of watchmen on duty at the crossing. The city of Venice has opposed the petitions.

Action is being deferred as all parties seek to work out a solution which might include joint financing of an auto traffic underpass at a short distance north of the Broadway railroad crossing.

Railroads involved in the hearings are the Washburn, New York Central and Gulf, Mobile & Ohio.

## They's Kick Opens Way To Steal \$25

Fitter's Market in Venice was entered early last night by thieves who stole \$250 in change, Venice police reported. The break-in was discovered at 10:50 p.m. by officers making a routine check.

Police said entry was gained through a rear door of the store, which is at 900 Main street. A lower panel had been kicked out of the door, authorities reported.

## 2 Proposals Sought For Sewage Plant In GC

Committee Selects Out-Of-Town Engineering Firms Despite Protests

Design proposals for a sewage treatment plant will be submitted by only two engineering firms, both from out-of-town, which were selected Monday night by a nine-to-four vote of the Granite City council.

The decision was made less than 24 hours before the state Sanitary Water Board handed down an order to Springfield for the city to abate pollution of the river by July 1, 1964.

In 45 minutes debating, three aldermen attempted to expand the recommendation of the special pollution study committee to include the local engineering firm of Sheppard, Morgan & Schwab. The committee held fast to its recommendation for a limit of two.

The committee chairman, Alderman Frank Vesce, said the group based its recommendation on the selection of the two firms with the most experience in design and construction of sewage treatment plants.

Two Firms Notified  
Letters went out Tuesday to the firms of Clark, Ditzel, Dietz & Associates, Urbana, and The Chester Engineers, Pittsburgh, Pa., advising them to submit proposals for the design and construction of a sewage treatment plant.

The Sanitary Water Board, in its order, required the city set next June 1 as the deadline for the city to submit evidence of bond issue authority and a construction schedule.

Alderman Donald Partney was the only alderman to limit recommendation, pointing out the local engineering firm was not the city-appointed Citizens' Sewer, Drainage and Pollution committee.

Calls For More Information  
He also urged the council delay its vote on the recommendation until further information was received.

Vesce replied the city finally did make contact with the Federal Housing Administration Finance Agency in Chicago.

"We were told the amount of the \$120,000 survey loan was rapid could not be determined until construction plans were completed and work started on the project," he said.

This was confirmed by City Attorney John Githoff, who said he was unable to get any figures, "not even a percentage," from the agency.

Partney and Charles Meyer protested the committee's method in presenting the recommendation. "Everybody is in the dark. No one knows what is going on," Meyer said, adding that the committee should have an information meeting before proceeding with its recommendation.

Vesce repeated that the committee, which also includes Alderman Clark and Clifford Hoskins, had interviewed seven firms and selected two with the most experience.

## Questions Chairman Has the local firm been eliminated completely?" Meyer asked Vesce.

The chairman replied, "We want the proposals from these (Continued on page 10, col. 7)

## Two Local Youths Drafted This Morning

Two local youths reported to the county selective service office at Edwardsville for armed forces training. They were Bobby Neal Lee of Granite City and Clifford Hoskins of Madison, both volunteers. Also scheduled for induction today was Gabriel Artis, former of Madison, who transferred to the Youngstown, O. board but was included in the local quota. He also was a volunteer.

From Edwardsville, the two drafts went to the St. Louis examining center for assignment. Youths from the area go during the day the railroad company took possession of the train. The draft board also included in the local quota. He also was a volunteer.

This month's quota also includes pre-induction examination call for four local men next Wednesday.

### GC Police Predict 97 Accidents During December

The Granite City police department records office predicts 97 motor vehicle accidents for December. If the prediction comes true it will be the lowest figure for December since 1957 when there were 96 accidents.

Last December there were 152 and in December 1960 the number was 131. The December average for the past five years was 113.

Last month the police department made a perfect prediction. Their were 90 motor vehicle accidents during November, as predicted.

No fatalities occurred but there were 31 injuries.

26 On Madison Ave.

A breakdown of the accident reports revealed Madison avenue to be the most dangerous street, as usual. Twenty-six accidents occurred on that thoroughfare—15 between 20th and 24th streets.

A survey of the types of accidents showed two pedestrians were injured. Accidents with other motor vehicles totaled 69 in which there were 20 injuries and there were two accidents involving autos and bicycles, with two persons injured. One accident involved a motor vehicle striking a fixed object and 16 motorists ran off the road resulting in seven injuries.

### Zone Change Sought At 18th, Cleveland

A change from residential to a commercial zone classification for the vacant corner tract at 18th street and Cleveland blvd. was requested Monday by an East St. Louis developer.

The request was submitted to the city council Monday night and was referred to the City Planning Commission. The commission meets regularly on the third Thursday of the month.

The developer, Kenneth Johnson, handled the property transaction for the new, downtown Travelodge Motel, now under construction at 19th street and Cleveland blvd.

He declined comment on the commercial development planned for 18th street and Cleveland blvd. The property involved is at the southeast corner with 100 feet on Cleveland and 125 feet along 18th street. It presently is zoned for multiple dwelling units.

Several aldermen said they believed the commercial development will be another service station. There also have been inquiries for property in the vicinity of the new motel for a location for a national restaurant chain, Johnson said. "I'm not at liberty to say at present."

### Safe Found By Hunter Near Hartford Canal

A rabbit hunter discovered a rifle safe next to the Hartford canal Tuesday afternoon that was stolen in Jacksonville a year ago. It was turned over to Jacksonville police by the Madison county sheriff Wednesday morning.

Clyde Woolverton of Hartford found the safe about a mile south of the Hartford Canal on the river side of the levee. The door had been "peeled" off and an attempt made to bury the safe. Papers and a metal box were found near it.

The papers bore the names of Francis J. Clancy and Edward Thompson. The sheriff's office found they are Jacksonville grocers from whom the safe was stolen.

### Two Changes In Officer Staff For Jaycees

Two new officers were named by the executive board of the Granite City Junior Chamber of Commerce during a meeting Tuesday night in the board room of the Associated Retailers. Jerry McPherson, chairman, presided.

John Worthen was named vice-president, replacing Donald Juergensen, who resigned the post because of business activities. Worthen, who was secretary, was replaced in that position by Jack Range.

## Olga's, Farmers, Sim's Win Wednesday

Sim's Place, Olga's Confectionery and The Farmers scored wins last night in three closely contested High School Basketball league games played at the Nannet school gym.

Sim's topped Tri-Way Village 56-47, with Tony Bell scoring 15 points and Ernie Erwin 13 for the winners. Jerry Broadmeyer turned 14 and Glen Degore 12 for Tri-Way.

Olga's tripped Miller's Grocery in a low-scoring second game, 36-27, with Ken Hecht hitting 15 for the winners and Frank Bausch nine for Miller's. The Farmers were 50-41 winners over Ragan Lumber in the final game. Leading scorers were Perry Fayon with 15 for The Farmers and Joe Fanning with 10 for Ragan.

## Rams Edged By Vashon 61-59; Are Cut Down Wednesday By Hot-Shooting Sumner, 73-39

"I've got lots of work to do this week," Coach Stan Lynch of Vashon hopes he will come up with the team on Wednesday night, the one top pleasing result of the school's first two basketball outings.

The Rams do not play again until Dec. 15, and by that time Lynch hopes he will come up with a combination against Carondeal Athletics.

Lincoln dropped its first two games to St. Louis high schools this week, losing a squeaker to Vashon in Venice Monday night 61-59, and then bowing before a hot-shooting Sumner club last night in St. Louis.

Sumner shot a dizzying 73-39 win, and kept the Lincoln defense off balance with a swift fast-breaking offense every time the opportunity arose.

"But their outside shooting was terrific, too," said an impressed Lynch, whose club will get another shot at Sumner in Venice late in January. "We thought they would cool off from out there, but they just kept hitting 20-footers all night," he added.

Led by John Thomas and Harry Glor, each of whom carried 16 points, Sumner took a 15-11 first-quarter lead and kept adding to it. Lincoln stayed fairly close until halftime, but picked up only 16 points over the final two periods while the hosts were gathering 22 in the fourth quarter alone.

Billy Hatter, who had 17 points in the loss to Vashon Monday, experienced an off-shooting night and managed just two points for the Rams. Guard Tommy Turner, plunking in shots from outside the Sumner defense, was one of two Lincoln players in double figures with 19, the game's individual high. Wilfred Taylor, playing at forward, added 10, but no one else was of much scoring help.

Sumner grabbed the junior varsity game by 16 points, 39-23, over the Rams.

The varsity scoring: Lincoln: Turner 19, Taylor 10, Calvin Dixon 4, Percy Dillon 3, Billy Hatter 2, Franklin Wooten 2; Vashon: Isaac 7, Lawrence Isaac 0; Sumner: Thomas 16, Glor 16, Moore 11, Clark 11, Savage 6, Hayes 6, Alor 3, Gordon 2, Sheppard 2.

Score by quarters: Lincoln - 11 12 7 9 39; Sumner - 15 20 16 22 73.

Lincoln of Venice's hellebore offense was not quite a match for the more deliberate moving visitors from Vashon high school of St. Louis Monday night at the Lincoln gym, where Vashon scored a 61-59 victory. Both clubs appeared ragged in

## White Breaks Tie

White broke a 14-14 tie midway in the second period with a driving layup, and Vashon never trailed afterward, although Lincoln pulled even at 38-38 in the third period and then closed the gap again late in the game after the visitors had stretched their lead to as many as nine points.

Lincoln had trouble getting the ball inside against Vashon's tight man-to-man defense, and the outside work of Tommy Turner and Calvin Dixon helped the Rams stay within striking distance.

Vashon surged to its biggest lead in the third quarter, when White, Garland Goodwin and Robert Thomas combining for 19 of Vashon's 21 points in the period.

Lincoln came back on the timely shooting of Billy Hatter and Lawrence Isaac in the closing minutes, but lost its tallest player when Hatter was ejected after a two vigorous shove of White as White drove for the basket.

Both teams shot 39% from the floor. The visitors' margin was from the field. At the free throw line they missed 15 of 38 opportunities. The Rams converted 15 of 23.

The Lincoln junior varsity had little trouble in winning the preliminary game, 45-28.

The varsity scoring: Lincoln: Charles Hatter 17, Tommy Turner 17, Calvin Dixon 10, Lawrence Isaac 7, Percy Dillon 4, Wilfred Taylor 2, Franklin Wooten 2; Vashon: Joe White 25, Garland Goodwin 18, Robert Thomas 10, Richard Davidson 4, Richard Smith 2, Dwayne Hill 2, Adolph Rutlin 0, Cornelius Jones 0.

Score by quarters: Vashon - 12 17 21 11-61; Lincoln - 13 14 16 16-59.

## UPW Meets For Installation And Pot Luck Supper

The United Presbyterian Women of First Presbyterian Church met at the church for a pot luck supper in the fellowship hall, 22nd street and Dearborn avenue, Tuesday evening. An officer installation ceremony also was conducted.

After the invocation by Mrs. Glen Rice the history of the English Bible and a film of "Four Seas," a travelogue of Israel, was presented by Mrs. John Lennon.

The business meeting opened with the devotional, "Most Richly Blessed," by Mrs. George Holtzsch, president, and reports by the treasurer, Mrs. R. N. Johnson; secretary, Mrs. Henry George; National Missions secretary, Mrs. Wilford Cooley; and the Orphan Contact secretary, Mrs. Emmett Beeler.

Plans were made to attend the Edwardsville Presbyterian Church Dec. 9 for a panel discussion on "Separation of Church and State" and for clothing and homemaking needs for Protestant Welfare.

After the business discussion the group proceeded to the church sanctuary for the installation of officers by Rev. David B. Maxton.

The new staff includes Mrs. Otto Grosse, president; Mrs. J. W. Seneff, Mrs. F. B. Barclay, and Mrs. Fred Haug, first, second and third vice-presidents; Mrs. Henry George, secretary; Mrs. Emmett Beeler, treasurer; Mrs. R. N. Johnson, historian and secretary; Mrs. James Spinks, Mrs. Royal Barney, Mrs. Robert Ruppel, Mrs. J. P. Goppert, Mrs. Charles Landis and Mrs. W. K. Woodward, circle leaders.

The installation devotions were led by Mrs. Coe, and the memorial service and recognition of new members by Mrs. Otto Grosse. Mrs. William Lierman, a past president, presented Mrs. Holtzsch with her past officer's pin, signifying she has been placed on the board of Ecumenical Missions for 1963, and the meeting closed with a living circle of the members singing "Blessed Be The Tie That Binds," and the benediction by Rev. Maxton.

Circle meetings will be held Dec. 18 and 19. Approximately 50 members attended Tuesday's meeting.

## Yule Party For War I Barracks 34, Auxiliary

Barracks 34, Veterans of World War One of the USA, and the auxiliary met Tuesday evening for a Christmas party.

A turkey and pot luck dinner was served to approximately 100 members. Gifts were exchanged and games were played, with prizes awarded.

An installation of officers was held, with Fred Whitlock of East St. Louis, department commander, as installing officer. Those installed were: commander, Elmer Swanson; senior vice-commander, Maxwell Bratton; junior vice-commander, Thomas Portell; judge advocate, Jay Elliott; chaplain, Fred Hodelock; quartermaster, Joseph Bergrath; trustees, Joseph Stanfill, Joseph Trostler and John Kuensman; adjutant, Leo Hendricks; historian, Larkin Conaway; legislative officer, William E. Bredendach; service officer, Walter Holtegreve; hospital chairman, Dwight Hannon; sergeant-at-arms, Adam Munsterman; and color bearers, John Schilling, Joseph Stanfill, James Goodnight and James R. Pickerton.

Guests for the evening included Mr. and Mrs. Ouf Jensen of East St. Louis. Jensen is the department adjutant. Other guests were Mr. and Mrs. Fred Powell of Belleville and District Commander Charles Weimers of Edwardsville.

## Joint Holiday Party By Victory Mothers Units

Forty-two members of Victory Mothers units in Granite City, Belleville, Washington Park, East St. Louis and Edwardsville met in Granite City Monday evening for a Christmas party.

Presiding officer was Mrs. Edith Rhodes of Granite City, state president of the Victory Mothers. A covered dish dinner was served.

Mrs. Minnie King led the program, assisted by Mrs. Mary Yetts, Mrs. Adole Hubert and Mrs. Emma Schwewe.

Christmas carols were sung, and Mrs. Darlene Role provided accordion music. A gift exchange was held, with the remainder of the time devoted to games.

## Birthday Supper Is Held By Past Presidents Group

Past Presidents of Victory Mothers Unit Two met Monday evening at the home of Mrs. Sadie Peacher, 2405 1/2 Center street. A covered dish supper was held, honoring Mrs. Peacher on her birthday.

Those present were Mesdames Minnie King, Edith Rhodes, Anna Sternberg, Katie Alexander and Gusto Pendleton, and Mrs. Peacher's mother, Mrs. Anna Harrison, and sister-in-law, Mrs. Lee Harrison.

The guest of honor was presented with cards and cash gifts, and the evening was spent socially.

## Mrs. Prussman Is Hostess For Circle

The home of Mrs. Amy Prussman, 2017 Delmar avenue, was the place of meeting for Rebecca Circle of Niedringhaus Memorial Methodist Church Tuesday evening. Mrs. Helen Mueller was co-hostess.

Evergreens and pine cones decorated the living room and the fireplace, and refreshments were served after the program.

Mrs. Dora Grafford, leader, was in charge and Miss Gladys Gibson, who gave the devotions and lesson, read the story, "Christmas Day in the Morning," by Pearl Buck.

During the evening the group sang carols and addressed Christmas greetings to be sent to shut-ins.

Twenty were present, including three guests, Mrs. R. L. Miller, Mrs. Pearl Campbell and Mrs. Ruth Johnson.

## Gift Exchange By Garden Club

Combined with the December meeting of the Kitchen Club Tuesday evening was a Christmas party, an exchange of gifts and a pot luck supper in the home of Mrs. Julie Niske, 1641 Fourth street, Madison.

Those present were Mesdames Harriet Phelps, Mable King, Pauline Bausch, Beverly Howard, Ruby Range, Dora Chepley, Clara Wendel, Ann Schubert, Anna Guthrie, Katie Asperger, Ann Sulek, Erna Werth, Elsie Brown, Marcella Coleman, Ann Sternberg, Fern Thomas, Juanita Coyle, Virginia Mark and Nellie Hyrsky.

The next party will be held New Year's Day in the home of Mrs. Elsie Brown, 2832a Madison avenue.

### DECORATE YULE TREE

Peter Chen Priam Sunbeams met Tuesday afternoon at Second Baptist Church to begin a month's study of learning to pray and to give for others. On display was a large undecorated Christmas tree, which the group chose to decorate and name it "Little Moon tree."

Next week, the Sunbeams will place under the tree their banks with Little Moon Christmas offerings for foreign missions. Christmas songs were sung, and Mrs. Betty Lewis offered prayer and told a short story about a silver dollar.

Mrs. Lewis, assisted by Bob Lewis, read to the boys and girls three letters from missionaries telling what the offering

has done for them in the mission field. The letters were from Southern Baptist missionaries in Africa, Japan and Brazil. The meeting closed with prayer by Theresa Gillham.

Others present were Johnny Snider, Allen Newberry, Philip Fitzhugh, Debra Waggoner, Gwen Olive, Glenda Wells, Denise and Julie Whitton, Debbie Wilbers, Gary and Gail Lewis, Donna May, Brenda Holloway, Dennis Reynolds and visitors, Donald May and Lewis.

### Miss Cerutti And Robert E. Bailey Are Engaged

Announcement is made by Mr. and Mrs. Berio Cerutti, 3028 Marshall avenue, of the engagement of their daughter, Miss Joannina Cerutti, to Robert E. Bailey, a son of Mr. and Mrs. Edward Bailey, 230 South street, Collinsville.

The bride-to-be, a graduate of the Granite City high school, is employed at the Granite City Trust and Savings Bank.

Her fiancé graduated from the Collinsville schools and is presently attending the David Rankin Trade school, majoring in automotive repair work. He will complete his studies in June.

### Scouts Give Yule Party For Mothers

By way of saying "Merry Christmas" to their mothers the Girl Scouts of Troop 259 sponsored by St. John United Church of Christ, entertained with a party Tuesday evening at the church on Namooki road. Mrs. Elmer Stille is the Troop leader.

Mrs. Lois Asher, representing a cosmetic firm, presented a demonstration on skin care and tips on makeup techniques. The girls presented their mothers with carnation corsages and there was a gift exchange among the scouts.

During the party homemade cookies, punch and coffee were served to the members and guests.

**VICTORIA CIRCLE HOLDS MEETING**

"The Light Alleviates The Darkness" was the topic of the lesson Tuesday evening at a meeting of the Victoria Circle of Calvary Baptist Church in the home of Mrs. Vernice Wortman, 2460 Washington avenue.

The church groups are observing a week of prayer programs for foreign missions. The lesson leader was Mrs. Susan Rochester and all members took part.

Eight were present, including two guests. Mrs. Phyllis Knight is chairman of the circle.

Orchid

What a delightful thing a truly fresh egg is for breakfast! Everyone knows they are very fragile, but few realize that the shells are porous, absorbing odors very quickly. They're finicky... don't like too much heat, nor too much cold. We have specially controlled rooms for eggs, air conditioned for humidity, odors and temperature. All of these controls are necessary to deliver to your breakfast table the utmost in flavor. You will find that our Jersey Farm and Hillcrest brands fulfill your fondest expectations.

## \*SOCIETY\*

### Annual Christmas Meeting of B&PW Club Last Night

The Christmas meeting of the Business and Professional Women's Club was held last night at the YMCA with the membership committee in charge. Mrs. Dolores Allen, chairman, was assisted by Miss Dorothy Davis, Miss Morene Groshong, Mrs. Florence Spolier, Mrs. Gladys Newman and Mrs. Edna Kohlbrecher.

Eleven new members were introduced. They were Misses Elita Christian, Mary Garvin, Lois Koyelman, Marilyn Wondra, Sharon Sparks and Mrs. Rebecca Slate, Mrs. Helen MacAnnamely, Mrs. Shirley Bueger, Mrs. Alma Irvin, Mrs. Winifred Costello and Mrs. Lillian Horwitz. Mrs. Vernice Worthon, president, conducted the business session. Toys were brought to the meeting to be turned over to the Salvation Army for distribution at Christmas and announcement was made that the club would ring the bells for the Christmas tree lights on Dec. 14 and would make a contribution to turn on two \$25 lights on the "Tree of Lights."

Card singing was led by Mrs. Elvira Herman, with Mrs. Helene Biscoff at the piano. Dinner was served before the meeting at tables decorated with evergreen boughs and ornaments. Thirty-eight were present.

The next regular meeting will be held Jan. 16.

### Alpha Eta Chapter Teacher Society Holds Yule Party

Members of Alpha Eta Chapter of Delta Kappa Gamma, national honorary teachers society, attended a Christmas dinner party at Skaggs in Wood River Tuesday evening.

Ann Carey, a guest from Beta Eta Chapter, entertained with a trio of Christmas stories and special music was provided by Ila Lowery, Vivian Raffaele, Agnes Fyritzko and Elsie Maylath.

There was an exchange of Christmas gifts by the group which included the following local women: Lucinda Tuick, chapter president, Louise Deschmeler, Eva Meier, Bea Cooley, Hary Tenelot, Mary Friday and those who took part on the program.

### Customs of Other Lands Featured On Sorority Program

Beta Phi Chapter of Epsilon Sigma Alpha sorority met last night in the home of Betty Williams on Lindell blvd. Ten were present.

An educational program on Christmas customs of other lands was given and a Christmas party was planned for Dec. 19 at the Colonial Inn supper club near Roxana.

Refreshments were served by Mrs. Williams and the co-hostess, Mrs. Sandra Cuvier.

### Sorority Holds Christmas Dinner

Eta Alumnae Chapter of the Tau Omega Sorority held a Christmas party last night at the Missouri Athletic Club in St. Louis.

The group gathered for cocktails at 6 o'clock, followed by dinner at 7. Decorations were in keeping with the holiday season and the officers served as hostesses to the group.

Prizes in the games went to Mrs. Verna Meyer, Mrs. Margaret Holland, Mrs. LaVerne LaRose, Miss Irene Hayes, Miss Celestine Lucas, Mrs. Mildred Jungles, Mrs. Helen Hoelscher, Mrs. Betty Lou Harris and Mrs. Irene Louis. Miss Hayes was also winner of the special award.

### Get-Together Club Exchanges Gifts

Members of the Get-Together Club enjoyed a Christmas party Wednesday as guests of Mrs. Conrad Moeller, 2252 Grand avenue.

A turkey dinner was served at an attractively appointed table with a Christmas setting and favors were small potted poinsettias. Gifts were exchanged by the members and the afternoon was spent at cards, the prizes going to Mrs. Charles Knecht, Mrs. Sam Kelley and Mrs. Clifton Halbert.

The club has been invited to the home of Mrs. Harry Johnson, 2524 Benton street, for the Jan. 16 meeting.

### QUILTING CIRCLE HOLDS MEETING

The Quilting Circle of Niedringhaus Memorial Methodist Church met all-day Wednesday for quilting.

A dessert was served at noon by Mrs. Eva Evans and Mrs. Ila Cox to 15 members and two guests, Mrs. Frank Jones and Miss Elva Miller.

Devotions were led by Mrs. Elmer Langolf on a Christmas theme and Mrs. Pearl Campbell gave the lesson from the study book "Dimensions of Prayer." The officers gave their reports and there was a report on card singing, followed by prayer. The members responded to roll call with 31 sick calls made. The meeting was held at the church.

### CIVIL PATROL MOTHERS HOLD MEETING

A monthly meeting of the Civil Air Patrol Mothers was held last night at the home of Mrs. Ruth Asbeck, 2205 Terminal avenue.

Secret Pal names were drawn for the year and a new member,

Mrs. Hervannah Ruemmler, was enrolled. The group also planned a Christmas party for Dec. 16 from one to five p.m. for the cadets and their families.

A "snow queen" dance is to be held in February. Mrs. Pauline Birks is the new club chairman.

### Annual Party For Gideons, Auxiliary

Mr. and Mrs. Charles Reimers, 2615 Benton street, entertained the Gideons, the Auxiliary and other guests at a pot luck supper and Christmas party Monday evening.

Mrs. R. O. Harrold and James Williams presided over the business sessions of the two groups, and final plans were made for a rally to be held Dec. 8.

Present were Mr. and Mrs. Williams, Mr. and Mrs. Arthur Beide, Mr. and Mrs. William Harris, Mr. and Mrs. Harrold,

### UNITED PRESBYTERIAN WOMEN'S BOARD MEETS

The United Presbyterian Women's executive board met Tuesday evening at the Nameoki Presbyterian Church, 1700 Pontoon road, with nine members present. Mrs. Alta Stewart, president, conducted the business meeting and Mrs. Ann Freeling,

Granite City PRESS-RECORD  
Page 22 Thurs., Dec. 6, 1962

spiritual life secretary, opened the meeting with devotions and prayer.

Mrs. Bea Pyle, program chairman, announced the program for the UPW Association meeting on Dec. 10. It will be entitled, "The Cradle, the Cross and the Crown," and will be presented by the senior high class of the church.

The fellowship chairman, Mrs. Edith Simpson, will plan a potluck dinner which will precede

the program on the above date, and all members of the church are being invited to attend. The dinner will begin at 6:30 p.m.

Announcement also was made that all donations of food and money should be brought to the Dec. 10 meeting. They will be given to the Protestant Welfare Association to be used during the Christmas season.

Installation of new officers for the 1963 year will be conducted that night, and reports by all 1962 officers will be given.

The meeting was closed by Mrs. Betty Flynn, who offered prayer. Members attending included Mesdames Simpson, Edith Arbogast, Fern Mitchell, Janice Carr, Louise Anderson and Betty Flynn.

Mrs. George Stearns entertained the Junior Maecenas Society Tuesday evening in her home on Pontoon road with a Christmas dinner party.

The hostess served a buffet dinner to her guests, followed by an exchange of holiday gifts made by each member. After the dinner, Mrs. Stearns showed a film on the trip to Europe which she and her husband made during the past summer.

On Dec. 13, the Junior Maecenas Society will serve and entertain at a Christmas party for retarded children to be held at St. John's United Church of Christ on Nameoki road.

Those present were Mesdames Betty Bickhaus, Mary Brackett,

Nadine Brumleve, Cy Corbin, Catherine DeWitt, June Drew, Rose Flaherty, Jean Kehhan, Jean Knox, Mary Lee Lurton, Doris Pekarik, Marilyn Petrovich, Pat Shanta, Shirley Thompson, Vera Sage, Helen Tomcut and Dolores Yates.

Mrs. Petrovich invited the club to her home for the next regular meeting, to be held on Jan. 8.

MRS. SMITH HOSTESS TO COFFEE CLUB

Mrs. Jan Smith entertained her coffee club in her home, 3123 Rodger avenue, Wednesday morning.

The hostess served dessert and coffee to the following guests: Mesdames Mary Fehman, Maxine Ellington, Betty Atkinson, Sandy Harper and a new member, Mae Siebert.

The next meeting will be held at the home of Mrs. Ellington, 3139 Rodger avenue.

HOLIDAY THEME AT NEXT NAMEOKI PTA MEETING

The executive board of the Nameoki grade school PTA held its monthly meeting Tuesday evening in the school cafeteria.

Joe Hassler, PTA president, conducted the business meeting.

An announcement set by Mrs. McEneaney, president of the Granite City Area PTA Council, was read. For the January Area PTA meeting, there will be a speaker from the dental association and also Dr. B. B. Berman, pediatrician.

The program for the next Nameoki PTA meeting was discussed.

## United Fund Is \$9483 Short of Desired Goal

The United Fund inched a little closer to its campaign goal of \$299,231 this week adding \$308 since the Monday morning tally.

The drive gained one-tenth of one per cent bringing the total to 96.85 of the campaign goal. The total subscriptions now amount to \$289,749 or \$9483 short of the goal.

Madison Avenue Mishap

A collision at 3:50 p.m. Tuesday at 14th street and Madison avenue damaged the right side of the eastbound car of Elmer R. Wagner, 2317 Waterrun avenue, and the front of the northbound car of John C. Waller, 2207 Bryan avenue.

A discussion was held on a book sale to be held at a later date, and it was announced that an established camp is being prepared in Alton.

A discussion was held on delegates attending the council board meetings.

Following the business session, a Christmas party was held and gifts were exchanged. Decorations were in a Yuletide theme, and refreshments were served by the Madison leaders.

Those present were Mesdames Margaret Lee, Mary Simmons, Catherine Hildebrand, Hilda James, Mabel Dendridge, Gertrude Young, Leevertha West, Ernestine Bule, Gloria Simms, Norma Hinson, Jackie Frizell, Dorothy Bergrath, Thelma Skelly and Mildred Boyd.

The next regular PTA meeting will be held Tuesday, Dec. 11.

Venice Rebekah Lodge 570 met Monday evening at the Old Fellows hall. The noble grand, Mrs. Laura Belle Benson, conducted the meeting and an election of officers was held.

Those elected were Mrs. Marie

## Water Rate Re-Hearing Decision Next Week

The Large Water Users Group, an organization of area industries and other volume users of water, will decide next week whether to file for a rehearing of the East St. Louis & Interurban Water Company's increase in rates.

Randall Robertson, attorney for the organization, said he plans to be in Springfield during the first part of the week preparing material in the event a rehearing is requested.

The Illinois Commerce Commission granted the company a 12.75% increase in rates Nov. 21. The water company had requested an increase amounting to 33%.

The Large Water Users Group was one of several organizations which filed opposition to the requested increase with the ICC. The increase was granted after hearings which stretched over several months.

The St. Clair County Large Water Users Association announced last week it plans to seek a rehearing.

## Census Bureau Seeks Hired Farm Labor Data

Special questions on hired farm labor will be asked in the December Current Population Survey, it was announced today by the U. S. Census Bureau.

The special farm labor questions will include inquiries on the number of days worked during 1962, cash wages or salary received during the year and the type of work done such as with livestock, with machines or hand labor. The farm labor information is being collected for the U. S. Department of Agriculture and the U. S. Department of Labor.

The questions on hired farm labor are in addition to the regular inquiries on employment and unemployment which are asked each month in the Current Population Survey.

The Current Population Survey will be conducted here and in other sample areas of the country during the week of Dec. 17. Information will be collected locally by Mrs. Mary Isbrecht, 4243 Highway 162.

The following items were taken from the files of the Granite City Press-Record

**MONDAY, Dec. 6, 1937**  
An increase of 127 families on the Granite City township relief rolls was reported during the month of November, according to records of city clerk, office manager.

Pittsford's records show that 674 families or 2,214 people were receiving relief on Nov. 30 as compared to 549 families and 1,939 individuals on the last day of the preceding month. The gain is slightly more than 20%.

Aside from the 127 new cases that were added, the relief office rejected 75 others and has 175 more applications on file, the manager said. There are 438 employable families now on the rolls, 217 unemployable and 21 institutional cases.

Charles Parker, 18, former Community high school athlete, suffered a fractured left collarbone and severely pulled shoulder tendons when he stumbled over a balcony and fell headlong 12 feet to the darkened floor of the Mount Olive, Ill., high school gymnasium during a Granite City-Mount Olive basketball game Saturday night.

Parker, a sports correspondent, had covered the game and was returning from a telephone booth in the school building through the darkened gymnasium when he misjudged his whereabouts. The low balcony rail struck him below the knee and he tumbled over.

Maryland Place, one of the most desirable residential districts in the area, has enjoyed a remarkable building boom during the past year. Sixteen new homes have been erected there since Jan. 1 this year at a cost of approximately \$100,000.

According to George W. Stearns, manager of the corporation having charge of the subdivision, it is the third best year since the first lot was offered for sale in July 1927.

The promoters conceived the idea of converting a barren wheat field lying a half mile east of Nameed into a modern residential district about 10 years ago.

The Assembly of God Church in North Venice, of which Rev. M. M. Brewer is pastor, will conduct a special service tomorrow evening for the purpose of paying a \$700 mortgage against the building, which recently was redeemed by the congregation.

Steve Bulla, 2412 East Twenty-fourth street, was treated last night at St. Mary's hospital for a mangled finger which he sustained when he caught it in an auto door. He was sent home after treatment.

Deputy Sheriff Harry Odom and his son, Harry Jr., of Madison, Tex., who were visiting relatives, were arrested Saturday for driving a stolen car.

VAGUE ALLEGATIONS BY INSURANCE MEN UNFAIR  
To the Editor:

Insurers can malign character and destroy trust, can ruin good men and a good man's business.

Again faithful members of our school board are cast under a blanket of suspicion because they sell insurance to individuals who happen to be in the employ of the school system.

The insinuation is that some member of the school board is using his office as a sales leverage or pressure upon school employees. The truth is that any good live wire insurance agent would try to sell his insurance to anyone.

### 'We Have Just Begun To Fight' Should Be Battle Cry Against Levee Board

It was a "black day" Monday for the people of the Quad-Cities.  
A temporary injunction to restrain the East Side Levee Board from issuing \$1,390,000 in bonds—without a vote of the people and with absolutely no benefits to Quad-Cities—was dissolved in the circuit court at Edwardsville.

Whether an appeal will be taken is now under study by attorneys for the 15 private citizens who filed the suit. That the stakes are high is all too clear; residents of the Quad-Cities will have to pay \$850,000 of the total bond and interest cost, which has been estimated at \$2,143,665.

Unleashed something is done, Quad-Cities will keep on subsidizing levee board projects of little or no benefits to themselves—to the tune of \$800,000 or so each year, in addition to their \$850,000 share in the cost of the new bond issue.

The 15 private citizens who sought to enjoin the levee board should not give up. Whether relief is obtained through an appeal or through complete withdrawal of this community from the levee district, they should be encouraged to persevere the fight. And they deserve the full support and co-operation of every citizen.

Unless something is done, Quad-Cities will keep on subsidizing levee board projects of little or no benefits to themselves—to the tune of \$800,000 or so each year, in addition to their \$850,000 share in the cost of the new bond issue.

### Labor Difficulty At A. O. Smith Jeopardizes Prospect Of New Industry

The "walkout" or "lockout," whichever it was at A. O. Smith Corp., couldn't have come at a more unfortunate time.

It has been less than three weeks since real progress was reported toward attracting a new industry that would provide employment in this community almost equal to that of A. O. Smith. One of the major concerns of top officials of the prospective industry—if not a major concern—was the local labor-management climate.

The visiting officials were assured that labor-management relations were generally satisfactory, and that union leaders and employers were working for long time.

What effect the latest incident at A. O. Smith will have on this prospect's decision can only be surmised, but it certainly won't help the new plant here. Several other smaller firms that currently have been eyeing the Quad-Cities.

Adding to the unfortunate timing of the A. O. Smith shutdown is the page one newspaper publicity it received in the home city of the new industrial prospect.

This is one case, which can be documented, in which a strike was not only costly to the men and company involved, but has far-reaching effects on efforts to bring new jobs and job opportunities to the people of a community.

### Decision On Family Planning Aid Will Put State Program On Sounder Basis

Reasonable control of welfare spending should be possible now that the state legislature has passed the seventh state authorizing referral and payment for family planning services upon request.

The 6-4 decision by the Public Aid Commission, expected to make possible annual savings of \$30,000,000 in future years. More important, it will place aid to dependent children on a sounder basis, no longer encouraging growth of socio-economic conditions which the original program was intended to correct.

Much of the opposition is expected to diminish as a result of limiting the birth control assistance to mothers and married women. Those who are both unmarried and childless will be ineligible for such referrals by the state.

portation, more will follow. Don't worry, stockholders of these run-down transportation facilities will get their pound of flesh.

How long will the equipment last before it is obsolete, if it is? People who care who when the last bond issues will take care of that.

Will this socialization of transport expand to the railroads? It may be in a fix, too. Could it be possible that the entire enterprise system could collapse in transportation, utilities and natural resources due to automation?

Private enterprise certainly cannot tackle the space problem, or the building of our highway system. The investment would be phenomenal, and private capital could not make it.

Can private enterprise solve the problem of automation? People have no choice when the breadwinner of a family is stricken off the payroll and his basic education makes him unable to retrain him for modern industry.

And many more questions come to mind. I do not know all the answers, but I believe in progress. The answer to our economic, a moderate social democracy.

### Village Incorporation A Major Step Requiring Factual Analysis

We wish only the best for the people of Pontoon Beach, whether they decide Saturday to create a village or they choose to remain incorporated. It is surprising to find an advocate of the city administration of Granite City, since we have never hesitated to point out what we considered to be imperfections in any Quad-City governmental agency.

If a majority of Pontoon Beach voters want to establish a village government, they are entitled to do so. But it would have been unfortunate if the voting took place without a full appraisal of specific pertinent data, which may have been the case if there had been no review of the proposal in the Press-Record. Such a vacuum now has been avoided.

We make no apology for our detailed study of the incorporation election. Establishment of a fourth local incorporated municipality is an important step, one that should be taken only in the full light of public knowledge and understanding.

The Press-Record has a 60-year record of analyzing complex governmental and tax issues, and offers its findings only for what they are—our own conclusions, based on thorough and objective study. They obviously can be disregarded, but they have not been refuted factually, which may explain the emotional attack.

Basic points which were brought out have been admitted, but are now being minimized, with attempts to divert attention to the actions and policies of the city government. The criticisms have a familiar ring, for the Press-Record has been outspoken on fluoridation, sewer costs and other city issues, just as it has been on the side of Pontoon Beach residents in reporting and commenting on actions of governments directly affecting them, including the schools, levee district and county.

It is interest in the welfare of the individual citizen which prompts intensive perusal of election and taxation issues. It is in fulfilling this function that the newspaper occasionally comes into disagreement with public officials—or individuals seeking to become public officials. It always has been and always will be to open its columns to views that differ with it or agree with it.

We still feel that Pontoon Beach has insufficient assessed valuation to finance a new and additional body of government. Even the villages cited by the incorporation backers have much larger assessments. And residents would continue to be able to defend themselves against city annexation if they desired; Granite City would be unable to acquire Pontoon Beach without residents' approval, regardless of whether the area was encircled.

We do not dispute Pontoon Beach residents' right to govern themselves. But, again, we hope that all facts will be considered; there is no truth in statements that village operators would not cost to each family, or that incorporation is the only protection against becoming a part of the city. The proponents surely know this, or should find it out.

It would be unfortunate indeed if the village proposal were decided mainly on the hope of continued light assessing. This is a township matter not controlled by villages, and the prospect of tax increases and tax cutters would not alter the permanency of any real or imagined assessment oasis.

When shallow critics denounce the profit motive inherent in our system of private enterprise, they ignore the fact that it is an economic support of every human right we possess and without it, all rights would soon disappear.—Dwight D. Eisenhower.

Spare us that "friend" who, in speaking of us, says we mean well.

### Venice Tavern Hours Proposal Would Have Little Effect On Uniformity

Viewed from the standpoint of uniformity of tavern hours, the proposed shift of 2 a.m. Venice closing regulations from Sunday to Saturday would have only a minor effect.

For this reason, the proposal by tavern operators may be worthy of consideration. Of course, the city will want to be on guard against any suggestion that the longer hours originally sought a slice at a time.

It will be recalled that the 4 a.m. closing law was amended to 1 a.m. in 1961 after a fatal fire climaxed a long series of law suits. The conditions had resulted from Venice hours which attracted hundreds of out-of-town patrons after taverns had closed elsewhere.

With St. Louis Tavern closing open to 1:30 a.m. at o'clock Venice closing on Friday nights would offer little if any attraction to Missourians.

When you see a good looking young woman just remember that she knows it better than you do.

**3 Judges To Attend Judicial Plan Meeting**

Madison county's three circuit judges and the circuit clerk will meet Monday at 8:15 p.m. in the SIU auditorium in Alton. Two St. Louis high school musicians will be featured, pianist Thomas Schmidt and Joyce Tomancik, mezzo-soprano. The concert was originally scheduled for last Saturday but illness caused a last-minute cancellation.

The Young Artists Recital series was inaugurated last spring by St. Louis Fine Arts Division to encourage musically talented high school students in the Granite City Civil Defense area.

The next concert in the 1962-63 series will be held April 5, 1963, when Barton Weber Fine Arts Division will be presented in a piano recital.

The concerts are open to the public without charge.

The most impressive specimen of the housewife art is a Mediterranean affair. One found is made from 75,000 flowers, costs \$82.

### Your Governor Reports by OTTO KERNER

**WORK TO START SOON ON NEW MENTAL CLINICS**  
The specific purpose of the conference was to announce that ground will be broken in April 1963 for the first of the clinics. First construction will begin on the clinic in North Chicago.

In connection with this specific announcement, the full range of the progress of the revolutionary program was discussed. It was evident to all that the scope and originality of our program spelled a milestone for Illinois and the nation.

**Thorough Planning**  
Our progress was brought in sharp focus for those persons in attendance. As one metropolitan newspaper editorial said, "In a trail-blazing project of this magnitude, the most painstaking planning is warranted, and has been carried out."

The blueprint is well known to most citizens: two community-centered clinics in Chicago; similar ones in Rockford, Springfield and Peoria, and an adult clinic in Decatur, with a branch for children in Champaign.

These facilities will be the first anywhere planned for short-term, intensive care to treat all categories of mental illness and all age groups with program and facilities completely integrated into the community to be served.

The timetable for the North Chicago clinic calls for patients to be admitted in September 1964, with construction completed the following month. Soon thereafter, the other projects will be in the start drive toward completion.

This is a magnificent undertaking and we are geared at all levels to begin this road to better and more profound treatment of the mentally ill. Short-term intensive care and care to be offered by the new clinics already are being put into existing institutions, so that these new concepts will be crystallized by the time each clinic is completed.

### SAFEGUARD YOUR HEALTH A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

**TEST YOUR EYE-G**  
Have you ever stopped to think how many of your friends and business associates wear glasses or contact lenses?

Chances are that more than half of them do. For statistics show that 85 million Americans out of a population of 185 million are wearing glasses or contact lenses.

Absolutely perfect vision is rare, that less than one per cent of our population enjoys it. The problem of defective vision—due principally to heredity and personal neglect—has grown into one of the most common causes of blindness in recent years. Though some are born with defective vision, most are caused by a lack of proper eye care.

Let's examine some of the more popular beliefs making the rounds today. Do you believe them?

1. Eating carrots will improve your vision? This age-old idea is absolutely false. Carrots and other dark-yellow and green vegetables are an excellent source of vitamin A, which helps produce the chemical reaction involved in seeing, but eating them by the carload—without without their proper balance—will definitely not affect your vision.

2. Watching television can cause eye strain? This, too, is false. In fact, most ophthalmologists agree that there is no such thing as eye strain. If you spend many hours at a time in front of a television set without resting your eyes periodically, however, you can suffer eye fatigue. Should your eyes tire easily, better have them examined by a physician.

Crossed Eyes  
3. Children usually outgrow crossed eyes? This, too, is false. In fact, most ophthalmologists agree that there is no such thing as eye strain. If you spend many hours at a time in front of a television set without resting your eyes periodically, however, you can suffer eye fatigue. Should your eyes tire easily, better have them examined by a physician.

4. Children should have an eye examination before age six? This is true. Children should have a medical eye examination when they are three or four years old. They are usually cooperative at this period, and the examination will permit the correction of any existing eye defect before they become too severe.

### PROCLAMATION

**City To Build 20-Car Lot At Main Fire House**

A 20-car parking lot at the main fire station was approved Monday night by Granite City council members to provide off-street parking for firemen.

The crushed rock parking lot will be at the corner of 22nd and Iowa streets with a 24-foot driveway on Iowa street.

It was the last of the lot designed to remove firemen's autos from Madison avenue and in front of the fire station, a station house. The council okayed an expenditure of \$285 for the rock.

Mayor Davis commented a new post office at the 24th street end of the block would be constructed and that off-street parking would be provided there. He added that private autos belonging to firemen block the view of the station.

At last week's meeting, when the fire station parking lot was first brought out, Alderman Meyer urged the mayor to have a crushed rock driveway on 27th street at Madison avenue at the fire station. Meyer said rock was being scattered on both Madison avenue and 27th street, creating hazardous traffic conditions.

The committee is to study the need for a paved driveway there.

### Street Crew Repairs Sewer At Nameeki Ditch

Street crew members repaired a damaged sewer line at the Nameeki ditch near Johnson street and Madison avenue. The work was reported by Supt. of Streets William Warfield.

Other operations included grading and rock filling, backfiling patching of paved areas, and cleaning and sweeping and erecting the Christmas tree on the city hall lawn.

## Lewis Resigns Venice School Attorney Post

Austin Lewis, newly-installed Madison county probate judge, submitted his resignation Monday night as attorney for the Venice board of education. He had served either as a board member or as board attorney for 33 years.

In accepting the resignation, President Lester Salem and other members of the board expressed their gratitude for the service Lewis has rendered. "We have no choice but to accept it," Salem said, "although we'd rather not."

Lewis said his duties as probate judge prohibit him from continuing to serve as attorney to the school board. He said this was one of the points to which he gave serious consideration before deciding to seek election to the judicial post.

**Praised For Service**  
"Mr. Lewis has been more than just an attorney to the board," Salem said. "He has been a friend to all of us; he has been one of us." He said the board members have ordered an engraved plaque which they plan to present to Lewis in appreciation for his services.

Outlining major events of the years in which he has been associated with the board, Lewis said he has witnessed the school system's growth from a small district with an annual budget of less than \$80,000.  
"And I have seen it grow into what I believe is one of the finest school systems in the state," he said.

**Elected At 23**  
Lewis was elected president of the Venice school board at the age of 23, shortly after his graduation from college.

He served on the board until moving to Madison a few years later, and then assumed his duties as board attorney. He held that job continuously until his resignation, which was effective immediately.

"I regret that my position on the bench will not allow me to continue to serve the board," Lewis told board members. "I wanted to attend this meeting in person rather than tender a written resignation, so that I could express to each of you how much it has meant to me to serve the Venice school district through the years."

**No Action On Successor**  
The action came at the regular December meeting of the board. Board members had known of the pending resignation in advance.

No action was taken on selection of a new attorney.  
In other action at the meeting, the board authorized Supt. John O. Pier to seek bids on plumbing replacement in the Venice school shower rooms and installation of metal seats in the Venice gymnasium; approved payment of monthly bills and payroll claims; and hired a new teacher.

**State Testing Assistance**  
Pier said the state has offered to provide testing for intermediate students in the Venice system to help place those needing special education. The testing, to begin in January, will be without cost to the district.

He said the program is designed to call attention to those students who may need assistance, with final testing to be done by the county school psychologists.

A transfer of \$22,368 from the working cash fund to the bonds and interest fund was approved by the board. The action clears the way for a \$54,351 payment due Jan. 1 on the \$850,000 bond issue of 1953. The January payment will include a \$45,000 principal payment.

The board approved a request from Rev. Buddy Johnson, pastor of the Venice Methodist Church, for use of the Venice gymnasium one night a week for church team basketball. The night is to be assigned.

Payment of expenses for Pier and any member of the board attending a meeting of the Illinois Association of School Boards last night at Belleville was authorized.

**Tax Objections Filed**  
Pier said the district has been notified of tax objections filed in county court by the Gulf, Mobile & Ohio, Walush, and Chicago and Northwestern Railroads.

The Walush and GM&O objections involve assessments for Illinois Municipal Retirement Fund payments, while the railroad's objection concerns assessment evaluations, he explained. The amount of the objections has not been determined.

The new teacher hired is Miss Violet Podnar, a St. Louis University graduate and Madison resident, who will begin teaching the second semester on a prorated annual salary of \$5000. She will assume business education classes now taught by Mrs. Barbara Williams, who will be assigned as part-time librarian in addition to other teaching duties.

Miss Podnar is a Madison high school graduate.

## Record City Sales Tax Receipts For August

Municipal sales taxes here reached record proportions for August, latest tabulation of the Illinois Department of Revenue showed today.

The tally for the Quad-City area reached \$24,633, based on August 1962 tax liability, compared to \$22,141 in August 1961, \$21,685 in August 1960, \$20,687 in August 1959, \$18,391 in August 1958, \$18,644 in August 1957 and \$18,383 in August 1956.

The half-cent-a-dollar tax was imposed by the three local cities on Feb. 1, 1956.

May Be Record Year  
For the first eight months of 1962, the Quad-City total in \$189,907, possibly indicating that \$203,707.

### \$20,055 Month For GC

A breakdown by cities of the \$24,633 just announced for August 1962 shows \$20,055 to be returned to the city treasury of Granite City, \$3,679 to Madison and \$899 to Venice.

These are the highest August figures ever recorded for Granite City and Madison. August receipts were higher in Venice in 1956, 1957, 1958 and 1959.

### Woodward Designing Belgian Metals Plant

Word has been received by Mr. and Mrs. Albert Woodward, 2622 Madison avenue, that their son, Donald Woodward, has been promoted from general foreman to division superintendent at the Fannell Metalurgical Corp. in North Chicago.

Woodward, a University of Illinois graduate and a 1953 graduate of Granite City high school, is actively engaged in designing a tantalum fabricating plant to be built near Antwerp, Belgium, next spring. He is married to the former June Kay Brummel of Chicago, and they have two daughters, Laura and Linda.

## Mrs. Craddock Will Attend State Seminar

Mrs. James R. Craddock, wife of the minister of Central Christian Church, will leave Sunday evening to attend the Illinois Invitational State Seminar on audio-visual communication in the church at East Bay Camp, Bloomington, Ill. Sessions will continue until Thursday, concluding with a noon luncheon.

The seminar is being sponsored by the Illinois Council of Churches for persons holding leadership responsibilities in denominational or interdenominational affairs. Dr. Elmer Ansley, associate executive director, Department of Administration and Leadership, National Council of Churches, and Rev. Donald Lantz, religious director, Family Films, will be the resource leaders.

Mrs. Craddock is presently serving as state director for the Illinois Christian Women's Fellowship.

## Rotarians Hear Debate By GCNS Students

A debate by four Granite City high school students formed the program for the regular meeting of the Granite City Rotary Club Tuesday at the YMCA.

Introduced by Bob Butler, GCNS student body president, the debaters were Dennis Petroff, Bernard Helman, Ruth Maxon and Virgil Mainberg. Fathers of two of the students, Morris Helman and Rev. David Maxon are Rotarians.

Glenn Abernethy, first vice-president of the club, presided over the meeting in the absence of President Gerald Broadway. Dan House was program chairman. An estimated 40 members attended.

The students' topic was "Should the United States Promote a Common Market for the Western Hemisphere?"

## 30 MPH Limit Planned For Pontoon Road

Traffic surveys are being made this week along Pontoon road to prepare an ordinance setting the basic speed limit at 30 miles an hour between Maryville road and the west city limits.

At Monday night's council session, it also was decided to reduce the speed limit to 20 miles an hour in zones at St. Elizabeth school and Nameoki school. Within the city limits east of Maryville road, the state will be asked to reduce the speed to 35 mph. It now is 40.

The school zone limits will be enforced only during school hours. Eighth Ward aldermen are to meet with City Atty. John Gitchoff to designate the school zones.

Speed rates along Pontoon road now vary from 45 to 25

mph, and uniformity is being sought. However, it was pointed out the state highway department still has control of the roadway east of Maryville road. The speed rate along Rock road from West 20th street to the city limits at Beckman avenue is to be a uniform 30 mph. A motion was made by Alderman Walter Norn for this action in order to reduce the speed of vehicles.

## HOME NOTES

By  
MRS. ELAINE F. WENDLER,  
Madison County Home Adviser,  
Home Economics Extension,  
University of Illinois

With the hunting season open many hunters will be bringing small game and waterfowl home. When you cook small game two points are worth considering: the age of the game and the fact that the animal is dressed by skinning.

The age is difficult to judge, but you can estimate that 80% of the small game taken in season is less than one year old. The birds are tender and may be cooked by oven-roasting, broiling or pan-broiling. Because small animals are always skinned, the meat may become dry and tough. To prevent this, cover with an oil- or fat-soaked cloth during roasting. As it dries, baste with more oil or fat.

Bacon fat is especially good because it makes the game flavor. Small game over a year old should be cooked by moist heat methods, such as braising or pot-roasting.

It takes about an hour to braise, roast or pot-roast squirrels and rabbits. Rabbits, however, can be broiled. This takes only 30-40 minutes.

For every one-half to three-fourths pound of ready-to-cook squirrel or rabbit, you will get one or two servings.

The rules for cooking wild ducks and geese are much the

\$789 Crash Damage Paid By City

## Arrested Four Months After Costly Escape

A long and patient wait by Venice police led to the arrest early Tuesday of James Edward Humble, 32, St. Louis, whose escape from police custody led to wrecking of a police patrol car, damage to a parked auto and \$789 repair payment by the city of Venice.

The auto accident occurred Aug. 4 while an officer who had arrested Humble was attempting to take him to the police station. The prisoner attempted to escape from the auto as Humble was traveling west on Blisset street near Merceda street, and the officer lost control of the vehicle as he scuffled with Humble. The front of the police car hit the rear of the parked auto of Irwin Smith, Venice, knocking

same as those for small animals. You can estimate that one and one-half pounds of dressed weight will serve two or three people. Most people prefer to oven-roast ducks and geese. Without dressing, this will take about 45 minutes at 300° F. With dressing it takes one and one-fourth to one and one-half hours.

Apple chunks may be used as stuffing. The apples will absorb some of the game flavor. They should be discarded after roasting is completed. To add special zest to waterfowl, use spices and herbs, but with discretion. Try basil, marjoram, sage, thyme, savory or rosemary.

Venison includes any game from the deer family. It should be aged in a cool place one to two weeks, according to taste.

For best flavor trim off all fat. You may lard the meat with salt pork or bacon for cooking. A good rule to remember on venison is to cook it the same as beef. Tender cuts—roasts, ribs and loin chops or steaks from the legs—are cooked by dry heat: broiling or roasting.

Many folks like venison fried this way, rare. Or you may prefer it well done. Before roasting or broiling venison it may be marinated over night. Less tender cuts of meat from animals of uncertain age are cooked slowly by moist heat, usually braised till well done. Venison makes excellent pot roast and the least tender meat may be ground with a little salt pork for burgers.

the front of the parked vehicle into a fire hydrant. Damage amounted to \$845 on the police auto and \$234 on the Smith car. Humble was successful in fleeing but apparently returned to Venice occasionally when he thought his presence would not be detected. However, he was identified as a passenger in an auto at 12:50 a.m. Tuesday and was taken into custody on Main street near the McKinley Bridge approach.

Charged belatedly with resisting arrest, police disturbance, destruction of property and fighting, Humble was held pending release on bond. The original arrest related to a disturbance at the Place tavern in North Venice.

## 730 Attend Baptist 'M' Night Meet Here

Dr. W. C. Dobbs, pastor of Westminster Baptist Church, East St. Louis, addressed the annual "M" night meeting of Madison County Baptist Association in First Baptist church Monday evening, with 730 in attendance.

The program theme was "Be Ye Witnesses" and Dr. Dobbs stressed the word "Be."

The musical program was directed by Bill Patterson, who sang "I Believe in Miracles," and there were special numbers by a men's quartet from First Baptist church, Madison, and a girls' quartet from Meadow Heights, Collinsville.

A reading choir from Calvary Baptist, Granite City, gave the scripture, followed by prayer by Mrs. Clifford Mueller, association Women's Missionary Union president.

Activities in 1963 were presented by the Training Union director, Rev. Vernon Covington, assisted by associational officers and a film strip, "Witnessing in 1963," was shown.

There were 22 churches represented at the meeting with Calvary of Granite City having 89 for the highest church attendance. Parking facilities of Granite City Steel Co. were made available to those attending.

Overturns Hot Grease Robert Sharp, one of 2101 Terminal avenue, was treated at St. Elizabeth Hospital emergency room Tuesday evening for burns to his left wrist and hand received when he overturned a container of hot grease. He was released after treatment.

Don't forget to stop by the Farm Bureau Building 900 Hillsboro avenue, Edwardsville, and see the Christmas exhibit. Ideas for gifts, brochures are free to the public.

On Dec. 5 at 7:30 p.m. at the Farm Bureau Auditorium, there will be a meeting on "Wills and Estate Planning." An attorney from the Madison County Bar Association will give information on wills, joint tenancy and answer questions.

This meeting is open to the public and will be a good information meeting for husbands and wives.

## Trelc, Kincaid Head Scholarship Funds, Screening

A. P. Trelc and E. D. Kincaid were appointed Tuesday night as chairman of the finance and screening committees of the Granite City Scholarship Foundation.

The appointments were announced by President Allen Jesse during a meeting of representatives of participating firms and organizations, held in the Granite City high school library.

A. J. Mueller Jr. will be chairman of publicity for the Scholarship Foundation.

The group amended the by-laws to "give first consideration to students who are entering the freshman year of college." However, proposed elimination of third and fourth graders from scholarship consideration was dropped.

After the screening committee gives initial consideration to new GCHS graduates planning to enter accredited colleges, the proposed by-laws permit "assisting other college students on the basis of financial need and school record" provided their official place of residence is still within the Granite City school district.

Treasurer Robert Spengler announced a current balance of \$2033.

Action On Contribution The board turned down a proposed contribution which would have to have been used for an employee or the child of an employee of the contributing firm. Such individuals are eligible, but a guarantee would tie the hands of the screening committee, it was noted.

The finance group headed by Trelc, a representative of the A. O. Smith Corp., will include Mrs. Delores Allen, Business and Professional Women; Russell Creel, General Steel Industries; Ray Henley, Noonday Optometrist; W. W. Hoelscher, East Side Manufacturers; W. H. Hoelscher, Granite City Steel Co.; Glen Keithley, Union Starch and Refining Co.; C. A. McMillan; Earl Parsons, GCHS Alumni; Frank Rea, Noonday Optometrist; and Spengler, Twilight Optometrists.

The screening committee, led by Kincaid, a representative of the Union Starch and Refining Co., will consist of R. E. Backs, State Loan and Savings; R. G. Bieker, American Steel Foundries; Miss Mary Cowan, American Association of University Women; Norman Dunscomb, M. H. Wolfe & Co.; Mrs. Kenneth Hillen, Alumni; Walter Klostermeier, Granite City Steel; Dr. Stanley Maer, Twilight Optometrists; Miss Selma Nelson, University Women; Mrs. Donald Teaney, Elkettes; and Harold Thomas, Rotary club.

Miller, representing the Press-Record, will be assisted in publicity by Mrs. Vasil Eftimoff, Junior Minerva club; Mrs. Arvin Slate, Opt-Mrs.; A. P. Steinhauer, Daybreak Optometrists; and Mrs. Theodore Vrenick, Junior Service club.

## Two-Auto Collision On Johnson Road

Autos driven by Steve Bytner, 66, of Rural Route One, and Robert L. Hayes, 31, of 3091 Wayne avenue, were involved in a collision about 3:45 p.m. Tuesday on Johnson road near Manley avenue.

Police said Bytner pulled his auto out of a driveway into the path of the other auto which was traveling north on Johnson road. Neither driver was injured.

## Miriam Circle Meeting Features Christmas Theme

The Miriam Circle of Niedringhaus Memorial Methodist Church was entertained Tuesday evening by Mrs. Esther Taylor at her home, 1824 Primrose avenue.

Mrs. William Cariss, leader, was in charge, and Mrs. Warren Simpkins gave the lesson, "Christmas Is Sharing." Carols were sung by the group and a recording of "Claudia's Letter," narrated by Marjorie Lord, was played.

A report of the annual bazaar held last week was given and plans were made for the next meeting Jan. 3 at the new parsonage on Harvard drive with Mrs. Verne Barnett and Mrs. Georgina McMillan as co-hostesses.

Fourteen were present at Tuesday's meeting, including two guests, Mrs. W. H. Cramer and Mrs. Golda Boyle.

## 80 Attend Yule Party Tuesday Given By Elkettes

Approximately 80 members attended the annual Christmas dinner party of the Elkettes Tuesday evening.

One of the loveliest of the pre-holiday season, the party took place at the Elk's Club in a Christmas setting. The tables were gay with the Christmas colors and decorations and favors were sparkling Christmas candles in shades of blue and green. Entertainment was furnished by the Eagles Auxiliary kitchen band.

## St. Peter Church Evening Guild Installs Officers

Officers for the ensuing year were installed Monday evening at a meeting of the Evening Guild of St. Peter United Church of Christ, 21st street and Cleveland blvd.

Mrs. Ruth Huxel served as the installing officer, and those taking office were Mrs. Ronier Brundage, president; Mrs. Mildred Fehling, vice-president; Mrs. Rose Mary Kaborek, secretary; Mrs. Theima Markgraf, treasurer; Mrs. Laura Taylor, program chairman.

The devotional chairmen are Mrs. Frances Knobloch, social action; Mrs. Rosalie Buente, missionary education; Mrs. Carol Venn, spiritual life; Mrs. Leona Wintermyer, Christian stewardship; and Mrs. Eva J. Hunningbird, Christmas service.

Twenty-eight members attended the meeting which was called to order by the retiring president, Mrs. Alice Ellsve.

The group voted to take part as usual in the traditional ceremony of "the hanging of the greens" at the church Dec. 18, and Christmas contributions were made to the Protestant Welfare Association, the Hitz Memorial Home in Alhambra, the Emmaus Home in St. Louis, Holyton Children's Home and the Backe Bay Mission.

Mrs. Ellsve thanked her officers for their co-operation during the past year and received her past president's pin from the pastor, Rev. Robert Baumann.

The Christmas devotional in charge of Miss Clara Hoelscher, Christian service chairman, assisted by Miss Alice Bohmstiel, Mrs. Knobloch, Mrs. Huxel and Mrs. Vennice, was titled "The Three Magi."

Refreshments were served from tables decorated with white trees and red candles and gifts of the season were exchanged. The hostesses were Mrs. Georgia Boettiger, Mrs. Branding, Mrs. Buente, Miss Bohmstiel, Mrs. Doris Anderson, Mrs. Fehling and Mrs. Freda Bennington.

## Mayor Davis Presides At Monday's Meeting

Mayor Davis was welcomed back by city council members and city officers Monday night. He presided at his first session since early September.

ness, he missed several meetings and then entered a St. Louis hospital for major surgery. After the operation, his physician ordered him to rest for several weeks, and it was last month before he began to spend brief periods in his office. However, he was unable to attend the nighttime council session, and during Monday

night's meeting called a brief recess to rest for five minutes. City officials commented the mayor is "looking hale and hearty."

BEAUTY

The hair styles of today require a new and modern permanent, which is wide and soft and gentle, and yet lasts until cut off.

**TEN YEARS AGO**  
The beauticians and patrons alike believed that only a "right" permanent would last. Most heads were a mass of little "curls". Attractive hair styling was virtually impossible.

**TODAY!**  
Every modern coiffure demands, wide, smooth, gentle flowing waves. And now, with the new Body-Wave Gem, it is at last possible to create just such waves with absolute certainty that they will last until cut off.

**St. John Guild  
Holds Christmas  
Party, Supper**

A pot luck supper at 6:30 Monday evening preceded the meeting of the Evening Guild of St. John United Church of Christ on Nameoki road.

The tables were resplendent with boughs of evergreens, red candles and the usual Christmas decorations and a smaller table held a silver tree beneath which the "secret pal" gifts were placed.

Devotions by Mrs. Paul Surbey consisted of "The Christmas Story" in Scripture, slides, and carols by the group, and at its close Mrs. Beat Rittenhouse conducted a short business session. Contributions were made to the Salvation Army, the Protestant Welfare Association, and the Holyoak Children's Home, plus a contribution to a special organ fund.

Mrs. June Craig was elected treasurer of the Guild to fill an unexpired term, and the birthday of three members—Mrs. Dorothea Kirskey, Mrs. Melba Vencho and Mrs. Helen Robertson—were observed.

Thirty-six were present, including guests, Mrs. Joyce Schrader, Mrs. Vida Sutton, Mrs. Lulu Wofford, Mrs. Helen Schiar and Miss Lois Koppelman.

Serving on the kitchen committee were Mesdames Marie Hoelscher, Opal Sipes, Joan Schnyder, Pearl Giffin, Jestine Walker and Judy Stille.

The next meeting will be held Jan. 7.

**Jolly Twelve

## Fewest Traffic Deaths In Decade Possible—Not Certain

The current year of 1962 may end with the lowest traffic fatality toll during the past decade, the period in which detailed statistics have been maintained by the Press-Record.

The lowest previous figure was 19 in 1960, compared with successive totals of 24, 44, 26, 27, 28, 23 and 24 in 1953-59 and the 23 auto fatalities occurring last year.

Through the first 11 months of this year, the toll stood at 17, including five in February, one in March, two in April, three in May, two in June, one in July, one in September, one in October and one last month.

The November traffic victim was Mrs. Ruth Mae Leimkuhler, 44, of 2734 Madison avenue.

### Webb Brothers Top 'Y' Light Bulb Salesmen

Two local boys can lay claim to the title of the area's champion light bulb salesmen.

When the results of the YMCA Boys' Club light bulb sale were tallied this week, it was found that two brothers, Philip and Kenneth Webb, 15 and 12 years old respectively, had sold the most bulbs.

Each case contained 10 bulbs of assorted sizes. The five cases sold by the Webb brothers amounted to exactly half the entire sales of the club.

The sale was considered such a success by the club that another 10 cases of bulbs have been ordered. All profits go to the Boys Club treasury to be used toward the purchase of basketball uniforms.

who suffered fatal internal injuries Nov. 17, while a passenger in an eastbound auto descending the Broadway viaduct in Venice.

The right side of the auto was struck by the front of a west-bound car.

With 17 in the January-November period, 1962 is below the 11-month tolls of all previous years except 1958, which also had 17. There were six traffic deaths in December 1958, raising that year's total to 23.

November saw 77 non-fatal traffic injuries on Quad-City streets and highways, the second worst tally of the year. Only 1956, with 85, had more injuries.

Persons hurt this year have reached 654, indicating the certainty of a fourth year in which figure will surpass 700.

The record of 805 was set in 1960, and there were 799 injuries in 1961 and 734 in 1959.

The present listing of 604 for

January-November was exceeded only by 706 last year and 741 in the first 11 months of 1960.

With 147 collisions in the month just ended, topped only by the 185 in January and 151 in September, there have been 1473 auto mishaps so far this year.

This is the third highest for 11 months, compared with 1539 in 1960 and 1477 in January-November 1957. Those years ended with accident totals of 1731 and 1857, worst and second-worst on record.

Projections of present rates indicate year-end statistics of 1607 crashes, 757 hurt and 18 killed. Unfortunately, the actual totals may be higher, since December traditionally brings an acceleration in accidents.

### Wide Variety Of Business

## Council Discusses Alley, Railroads, Condemnations

An alley relocation, opposition to the proposed railroad merger, condemnation of four dwelling structures along Benton street, railroad crossing repairs and a high fence provided a wide assortment of topics for Monday night's Granite City council session.

Relocation of an alley to provide space for warehouse expansion is being sought by the Tri-City Grocery Co. The council voted to vacate a section of the north-south alley and an east-west alley in the 1600 block between State street and Edison avenue.

However, objections were raised when a second ordinance was submitted to dedicate another east-west alley right-of-way. Alderman Walter Norn commented he had relatives in that block and wanted to talk to them first.

Alderman Rufus LeMaster also said he wanted to talk to the three remaining householders in the block on Edison avenue. The firm owns all the property along State street.

Submitted A Month Ago While the request was submitted over a month ago, several aldermen said Monday's ordinance were the first they knew of it.

The council approved a resolution submitted by the Illinois Committee to Preserve Railroad Service, with headquarters in Danville, calling for a local hearing on the proposed merger of the Pennsylvania and New York Central Railroads.

Interstate Commerce Commission hearings are being sought at communities along the rail lines for objectors to appear without having to travel to Washington. The resolution

points to proposed reduction in freight and passenger service and loss of jobs.

A request was made by LeMaster for the city attorney to begin condemnation proceedings for three four-family flats in the 2100 block of Benton street and a walk-in in the 2200 block of Benton.

LeMaster said he has talked to the landlords and owners concerned with repairs.

He listed the flats at 2116-18, 2120-22 and 2124-26, and the house at 2207 Benton street.

Complaints concerning a seven-foot fence or trellis between two houses in the 2500 block of Benton street were reported to the council by Alderman Paul Rutledge.

City Atty. John Gitchoff said the matter probably would be better solved in court since the city has no ordinance directing governing that type of construction. The city building code does apply restrictions to construction that might block air or light, and it was indicated the city might look further into the matter.

Most aldermen voiced opinions it was not a council problem and suggested the parties involved should see their lawyers.

Several aldermen called for information on the city's request with the Illinois Commerce Commission for railroad to repair crossings at Niedringhaus avenue, 19th, 20th, 22nd, 25th streets and West Pontoon road.

Atty. Gitchoff said he had failed to submit the request and would get off the letter immediately.

Permission was granted by the street and alley committee for Illinois Power Co. to install an underground gas pressure valve at 19th and Adams streets.

## County Government's Sales Tax Take Rises To \$430,000

County sales tax revenue of \$13,637 based on August 1961 and \$14,106 in August 1962.

Started Three Years Ago Since the county sales tax went into effect here Oct. 1, 1959, the county has received \$430,628, including \$146,613 for 1960 and \$148,071 for 1961.

The state Department of Revenue collects the tax and returns it to counties after deducting \$1 for administrative expenses.

On August tax liability, 66 of the 102 counties received a total of \$348,734. Madison county ranked sixth behind Cook, DuPage, Peoria, Will and Lake counties.

Funds placed in the Madison county treasury from this source originally were designated for a juvenile home and for courthouse and jail improvements, but the county, hard pressed financially, later suspended the allocations.

Residents who filed a complaint in circuit court leading to a temporary court injunction against issuance of general obligation bonds by the East Side Levee and Sanitary District.

The injunction, issued Nov. 28, was dissolved Monday. An appeal is under study by attorneys for the citizens group.

### Twilight Optimists

#### Vote Funds For Sports

The Twilight Optimist club approved funds Monday to be used for youth bowling and to purchase a new mat for the judo program at the YMCA.

The club also approved participation in "Optimist Night" to be sponsored by the St. Louis Hawks and Optimist District 230 of Illinois. The day has not yet been set.

A vote of thanks was given Paul Stebbins for unloading and transporting three carloads of Christmas trees to the Optimist Christmas tree sales lot at Madison avenue and 23rd street.

The three local Optimist clubs are participating in the sale. It was announced that help is needed at the lot and an appeal was made for members to report there during the next few days to help get set up for business.

The Daylight-Twilight Optimists will again have Christmas ornaments and decorations on sale at the lot.

No Christmas party will be held Dec. 17 in order that members may work at the tree lot, it was announced.

This week's program was a movie entitled, "Cavalcade of Sports for 1961." Fourteen members attended.

## Interest Grows In Area Holiday Lighting Fetes

Christmas home lighting contests again promise a bright holiday atmosphere in the local area, it was pointed out today by Donald Young, chairman of the Granite City Jaycees event.

Contests will be held in Granite City, co-sponsored by the Jaycees and Illinois Power Co. and in Madison sponsored again by the Madison Rotary Club.

Both organizations will award cash prizes. No entry forms are required by Madison Rotary Club. All exterior home lighting decorations throughout the city of Madison will be judged. Awards totaling \$100 will be given out for the best displays.

For the Granite City contest, entry forms may be obtained at the downtown power company office. The deadline for entering the Jaycees' contest is Dec. 18.

Judging in Granite City will be held Dec. 21-27. Awards totaling \$200 will be presented, including \$75 for the first, \$30 for second place, \$25 for third place and five \$10 runner-up awards.

**GC Council Approves Five New Street Lights**

Installation of five additional street lights was approved Monday night by Granite City council members with a resolution to be sent to Illinois Power Co.

The new lights are to be located at 2124 Dewey avenue, Westchester drive and Johnson road, 2816 and 3806 Nameoki road and 3029 Washington avenue.

## GC Township Bills Total \$7440, With \$6396 For Relief

Complying with a city council request, Granite City Supervisor Nelson Hagnauer submitted Monday financial reports Monday night along with relief and town fund bills of \$7440.

With the issuance of a \$35,000 tax anticipation warrant last month, the general assistance fund showed a balance of \$24,408 on Nov. 30. It started the month with a \$2293 balance, and disbursements amounted to \$12,885.

The town fund report showed a Nov. 1 balance of \$21,778, disbursements of \$2373 and a Nov. 30 balance of \$19,405.

Relief disbursements of \$6396 approved Monday by the council included \$2986 for food, \$2016 for hospitalization and medical care, \$147 for rent, \$9 for fuel oil and \$235 for utilities.

**Administration Costs**

Relief administrative costs of \$894 included \$75 for office rent, \$450 half-month salary total for three office workers, \$18 for office utilities, \$45 for janitor service and \$36 for a new city directory.

Town fund disbursements of \$1044 consisted of \$162 half-month salary for Supervisor Hagnauer, \$300 half-month salary for Assessor H. Von Dee, \$220 half-month salary for Deputy Assessor Margaret Hornberger, \$108 each for Deputy Assessor Mrs. Catherine Herman and Richard Reber.

Assessor office rent amounted to \$75; janitor service, \$8; utilities, \$8; city directory, \$36; office and cleaning supplies, \$4; paint, \$10, and padlocks for the recent election, \$4.

**Sgt. Gray Assigned To Little Rock AFB**

## Dow Buying Tank Cars Made Of Aluminum—Made By Dow

The current issue of the Dow Metal Products Co. magazine, Dow Metal Products News, features an article on aluminum tank-hopper cars, each of which utilizes 14,500 pounds of aluminum sheet, plate and extrusions produced at the Dow plant in Madison.

Buyer of 14 cars being delivered last month and this month is the Dow Chemical Co., parent firm of Dow Metal Products, and the fabricator is the Greenville Steel Car Co., Greenville, Pa.

The order for aluminum cars is the first by Dow Chemical, which will assign them to the Louisiana Division at Plaquemine, La., for transportation of polyethylene and polystyrene. They will be used both in customer service and line-haul service between Dow plants and distribution centers.

**217 In Use**

The 55-foot cars will be built according to basic designs originated by engineers of Aluminum Limited of Canada. Two hundred and seventeen of these Alcan-designed cars are now in service in Canada and the U. S.

Fitted with 70-ton trucks, each of the Dow cars will have a nominal capacity of 3900 cubic feet equally among three compartments.

The compartments, each with one hopper and three loading hatches, will be equipped with pneumatic outlets so that connections can be made from either side of the car. In contrast to the pneumatic outlets, the cars being operated by the Canadian National Railways have gravity outlets.

**Dec. 17 Deadline On Property Tax Payment**

Madison county residents with delinquent property taxes have until Dec. 17 to pay them and prevent sale of the property at public auction, the county treasurer's office has announced.

Delinquent tax lists were published last month, and the treasurer's office said a number of persons have paid the taxes since publication. Over 1000 properties were listed.

Those properties on which the taxes are not paid will be sold to the highest bidder at a public auction scheduled to begin at 9 a.m. Monday, Dec. 17.

**Consider Maintenance Costs**

The decision to purchase 14 tank-hoppers followed a thorough study of the economics of aluminum versus steel, including initial capital investment and maintenance costs during a 10, 20, or 30-year life expectancy, the magazine article relates.

Oliver E. Beutel, Dow's director of distribution and traffic, and Charles W. Arnold, manager of metal container purchases, said the study "showed clearly that the aluminum tank-hopper car is more economical for our intended service."

A major factor was the expectation of greatly reduced maintenance costs, including elimination of the need for periodic repainting and repainting. The Dow official said.

They added that weight savings resulting from the aluminum tank-hopper design make possible over 15% more usable volume and 30,000 pounds more loading capacity, compared to an equivalent steel car of conventional design mounted on 70-ton trucks.

Beutel and Arnold said additional aluminum cars will be ordered by Dow in the future. The metal products division of Dow Chemical manufactures aluminum and magnesium rolled and extruded products.

## GCHS Debaters Prepare For Dec. 15 Tourney

By Diana Fox

The Granite City high school debate team's first tournament appearance of the year will be Dec. 15 at St. Louis, with a four-member squad under the direction of Miss Mary Black-burn to compete.

Sixteen GCHS students, have been working this week for team positions, with eight finalists to be chosen. A faculty group will pick the top four debaters to represent the school.

Topic for the current season, standard throughout scholastic debate, is "Should the United States Promote a Common Market for the Western Hemisphere?"

Students trying for a place on the team are Ruth Maxton, Drew Karandjeff, Linda Froeming, Linda Jungels, Warren Jones, Jerry Walters, Mike McCarty, Ken Rongey, Wayne Hancock, Bill Lierman, Robin Bowers, Virgil Mainberg, Bernard Helman, Jim Wittevrongel, Barry Lewis and Dennis Petroff.

## MADISON CONCERT

The Madison high school band will present a concert tonight in the school auditorium. Tickets, both student and adult, may be purchased from any band member or at the door. A single ticket is good for admission to three concerts planned by the band.

## Christmas Band, Choral Concert Set At Venice

By Michael Lopez

Tickets are now on sale to the Dec. 16 concert by the Venice school band, with selections to be interspersed with musical numbers and tableaux from students in the first three grades and EHM classes.

Included in the program are performances by the high school chorus, the grade school chorus, the band and a grade school ensemble. Combined band and chorus numbers will also be featured.

The band will open the program with the "Noel Suite," followed by a procession. Among traditional Christmas music to be included are "Christ Child's Lullaby," "Jolly Old St. Nicholas," "While Shepherds Watched" and others.

As a prelude to the final number, the audience will be asked to join the combined band and chorus in "Silent Night." The band and chorus will close the program with "We Wish You a Merry Christmas."

Tickets to the 7:30 p.m. program may be secured from any band member.

## PERFECT ATTENDANCE

was maintained during the second term by 31 students at Venice high school, Principal Lewis Sablin has announced.

Students named to Principal Sablin's attendance honor roll include freshmen David Allison, Robert Blattner, Ronnie Cagle, high school members on newspaper production and works with government departments.

At the request of Prime Minister Neville Chamberlain he was asked to prepare the British newspaper industry for a "state of emergency" prior to World War II.

He helped prepare British newspapers for rationing, managing problems and emergency power problems and emergency rationing continued until 1956.

As society director, Davies supervised work on new techniques, legislative reform, labor negotiations and other newspaper problems. He played a major role in establishing the Guild of British Newspaper Editors, and has been observing member of the General Council of the Press in England since its beginning.

## SCHOOL WINDOWS DAMAGED

Windows of Blair grade school, located on Merceda streets, were damaged by air rifle pellets sometime Monday night. Venice police were notified Tuesday. Three windows were found to have small holes from the pellets, school authorities said.

## YEARBOOK PICTURES

## Seasonal Programs Include Concerts, Other Activities

By Michael Lopez

The first of three special concerts sponsored by the Granite City high school band will be conducted next Thursday night, with tickets now on sale.

The concert is scheduled for 8 p.m. in the school auditorium, with a program of traditional Christmas selections.

The concert is one of several programs planned at GCHS this month as part of the holiday season. Events begin Tuesday with the 17th annual Christmas Wrapping Show sponsored by the school art department.

## Vocal Music Concert

A vocal music concert por-

traying Christmas customs in choral groups are scheduled throughout the month before various area clubs, PTA units and other organizations. Members of the GCHS student council are at work on plans for filling Christmas baskets for needy families.

In addition to traditional Christmas parties, many student groups are planning special fund raising activities, guest appearances and other events.

Proceeds from sale of tickets to next week's concert will go into the band's annual tour fund. A single \$2.50 ticket will admit two persons to each of the three concerts. Tickets may be purchased from any band member.

Traditional Christmas selections to be included in the concert program are "Hark, the Herald Angels Sing" and "Joy to the World." Lighter Christmas music will include "Sleigh Ride," "The Christmas March" and "The Toy Shop."

Other music to be presented includes selections from the Nutcracker Suite and such numbers as "The New York Skyline" and "Celebration."

### BRIDAL SHOWER HONORS MISS DOROTHY SKIPPER

Miss Dorothy Jean Skipper, daughter of Mrs. Opal Skipper, 110 Kirkpatrick Homes, was honored Sunday afternoon with a bridal miscellaneous shower. She is to be married Dec. 15 to Michael Johnson.

The shower was given by Mrs. Margaret Duke and Mrs. Dixie Wilson at the home of the bride-to-be's sister, Mrs. Helen Everts, 2912 Warren avenue.

The home was decorated for the occasion with white crepe paper streamers and wedding bells suspended over the gift table. Games were played and prizes were awarded.

The packages were opened by the honoree, who thanked each guest personally. The gifts were passed about to be viewed.

At the conclusion, refreshments were served by the hostesses to the honoree and Rose Ellen Pitchford, Thora Mehl, Gladys Johnson, Sandra Grote, Mildred Warner, Joyce Luckert, Dorothy Skipper, Lois Lockhart, Opal Skipper, Nina Foreman, Geneva Gibson, Helen Meyer, Ethel Stark, Ruthanne Weeks, Nancy Gibson, Freda Kruus, Jane Jones, Jeanette Craven, Dorothy Clatts, Julie Lorentz, Lois Weeks, Kathy Gibson, Marilyn Gibson, Darlene Johnson and Mrs. Maxine Compton and children.

## No Day-Before Christmas Holiday For GC Workers

Monday, Dec. 24, will not be a holiday for city employees in Granite City.

A request from city employees for the day-before-Christmas holiday was presented to the council Monday night by Alderman Walter Nomm with a suggestion that they might work the preceding Saturday instead.

In a round-robin discussion, it was brought out such a day off could set a precedent even though it will be a day off for federal employees. Mayor Davis said it could cause complications, especially since Saturday is a time-and-a-half day.

Several aldermen said they

would favor the proposal only if workers would be subject to call in the event of an emergency, such as a heavy snow.

Others pointed out it would be necessary to give consideration to fire and police department workers who would have to be on duty.

The aldermen favoring the extra holiday were Nomm, Rufus LeMaster, Casner Skubish and Shackelford. Opposing it were Charles Meyer, Donald Furtney, Estill Von Schmitt, Paul Rutledge, Samuel Whitmer, Frank Vesel, Edmund Bartosik and Ford Johnson. Absent were Alderman Mrs. Gabrielle Bettner and Steve Basarich.

## Mrs. Mabel Bramlette, 84, Dies At Alton

Funeral services were held Tuesday at Alton for Mrs. Mabel P. Bramlette, 84, who died Nov. 30 after an illness of several months. Burial was in Valhalla Memorial Park in Alton.

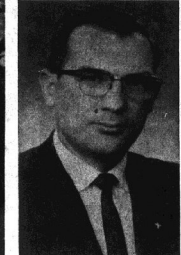

Widow of James T. Bramlette, who was employed by the old Kinloch Telephone Co. here and later with the Bell Telephone Co., Mrs. Bramlette resided here for many years. She is survived by two daughters, Mrs. Reese Evans, formerly of this city but now of Lambertville, N. J., and Mrs. Virginia Keil of Cottage Hill, one grandchild and two great-grandchildren.

Mrs. Bramlette was a member of First Presbyterian Church in Alton and in earlier years had been active in the various women's organizations. She was a past president of the Alton Woman's Council and held a life membership in the Order of Eastern Star.

The American husbands can save \$1.80 a day by persuading his wife to fix the family's meals from raw ingredients. But since she will have to stay in the kitchen four hours longer to do it, the idea may meet with some resistance.

## 2 Railroads, Ferry Co. File \$156,144 Tax Objections

Tax objections amounting to \$156,144, involving local area taxing agencies, the county and levee district, has been filed in the county court at Edwardsville by three transportation firms.

The Terminal Railroad Association is disputing taxes amounting to \$124,818, the Alton and Southern Railroad Co., \$31,041, and the Wiggins Ferry Co., \$285.

The 1961 taxes were paid under protest earlier this year.

All three firms are objecting to overall excessive assessed valuations by local area assessors and in addition have filed objections to taxing agency rates.

Rate objections filed by TRRA are as follows: city of Granite City—general fund, garbage, fire protection, street and bridge, street lighting, water, sewer maintenance and civil defense; city of Madison—general fund, garbage, public benefit and street and bridge; city of Venice—general fund, garbage, street and bridge; city of Venice—general fund, garbage, street and bridge; city of Venice—general fund, garbage, street and bridge; city of Venice—general fund, garbage, street and bridge.

Levee district—general fund, the 1957 bonds and interest deficiency levy and the bonds and interest fund; county—special road, veterans assistance, county bridge and tuberculosis sanatorium.

A & S Objections

The \$150,144 tax objection by the Alton and Southern Railroad includes claims of excessive rates by the following local taxing agencies:

Chouteau township—town fund, general assistance and road and bridge; Nantoni township—the town fund and State Park Place fire protection general fund; Granite City school district—building fund; Madison school district—Illinois Municipal Retirement fund.

Levee district—general fund, deficiency in bonds and interest and the bonds and interest fund; county—tuberculosis sanatorium, highway, special bridge and veterans assistance.

The \$285 in objections filed by Wiggins Ferry Co. includes the following: Venice township—general assistance; city of Venice—general, garbage and street and bridge; Venice park district—general; Venice school district—Illinois Municipal Retirement fund.

Levee district—general, bonds and interest deficiency, bonds and interest; county—tuberculosis sanatorium, special bridge, county highway and veterans assistance.

Colored fixtures in the bath. Full basement with insulated floor. Full basement with mother's chambers. Built-in oven and range. Birch cabinets. Carport. Landscaped front yard. Concrete drive. Your present home could be your down payment on a trade-in basis. Call today for particulars.

**START YOUR CHRISTMAS SAVINGS EARLY:** A four-family flat with small down payment. Each apartment has 3 bedrooms with total rental income of \$200 per mo. \$500 will put you into the landlord's shoes. Payments of \$60 per mo. and \$140 to deposit in the bank. Immediate ownership due to financial setback.

**4 OR 5 BEDROOMS FOR THE KIDDIES TO WAIT FOR SANTA'S ARRIVAL:** White enamel baked aluminum siding on Nemo School area situated on a 75' lot. Exceptional neighborhood, the kitchen saves steps for the woman. Ample closet space, fully insulated, automatic heat. If you're placing the wedding ring on the left hand, give her the keys in the right hand.

**CHRISTMAS ON THE EDGE OF TOWN:** Completely maintenance-free, built-in oven and range set in birch "honey" cabinets with ceramic splash wall. Colorful aqua blue fixtures in ceramic tiled bath with vanity and shower. Coved and swirl ceiling with wall to wall carpeting in living room. Full poured concrete basement with gas heat and gas radiant heat. Taxes exceptionally low due to edge of town location. Call for \$15,950.

**SANTA'S CHOICE FOR CONVENIENCE:** In the process of remodeling and decorating. New kitchen, with built-in oven and range. Full basement, 2 car garage, new gas furnace. Catholic school 1/2 mile. Public school 2 blocks away. Can purchase home as is at reduced price. Plenty of space for a family that's growing. Large living room, kitchen and dining room, and a full bathroom with 3 bedrooms and bath. Inspect at your convenience.

**SANTA HAS WATCHED OVER THIS NEW HOME ALREADY 4 YRS. OLD:** Wall to wall carpeting in the living room and hallway. Hardwood floors in bedrooms, walk-in wall-to-wall closets, tiled bath. Family size kitchen with slab floors steps away. Can install city water and well with electric pump. Well landscaped yard. Taxes last year \$112.

**Santa Will List Your Home, Sell Your Home and Extend Personal Service to Make this a Merry Year.**

**RENT FREE FOR THE REMAINDER OF DEC. FROM SANTA:** Immediate possession on our rentals, 1 bedroom, 2 bedroom, 3 bedrooms homes available. Children and pets accepted. \$50 to \$90, carpets. We will decorate to your taste.

**SANTA'S SPECIAL IN MADISON:** \$250 down payment, \$82 per mo. Situated on a corner lot, 2 car garage with plenty of room. Basement with 2 bedrooms. In bedrooms, yard allows mommy the extra time inside while the children play out. \$250 down payment will move you in.

**1/2 ACRE OF GROUND FOR SANTA TO SET DOWN ON:** Outside the city limits. Tiled bath, good family size kitchen. Plenty of closet space. City water with well and electric pump that supplies all the water for your garden. 1 car garage. Possession can be quick. Remember, near 3 bedroom home, one acre, \$10,950.

**SANTA SAVES ON TAXES:** Located on the edge of town with city water. Taxes only \$108 per year. Excellent view of this end-oriented ranch shines. Carport attached with extended roof that makes expansion in the future very simple. Garbage disposal in a modern kitchen with birch cabinets. Full of wall closet space in the bedrooms. Owner will give quick possession. Call for appointment.

**A "LOT" FOR CHRISTMAS CAN BE YOURS RIGHT HERE:** Building lots available with 80' frontage. A completely restricted area that will allow the new home-owner to enjoy country living with city conveniences. We have many plans and styles to choose from. Your family's desires can become a reality when you choose a lot.

**Santa Will Extend Higher Trades During This Month:** Call us today.

**SANTA'S CHOICE FOR THE GROWING FAMILY:** 5 large rooms with available expansion upstairs. New gas furnace and hot water heater. Full basement with a kitchen. Garage, low tax with schools a hop and a jump away. Small down payment will move you right in.

**SANTA'S INVESTMENT FOR BIG DIVIDENDS:** Established cleaning business. A rare opportunity for an ambitious individual to work for himself. Accounts receivable have grown steadily over the years of business. Margin of profit is way above average. Equipment has been cared for and maintained in top condition. Building includes plant, storage area, office space.

**Conference Seasons Begin Tomorrow For GC, Madison, Venice; Tourney At Roxana**

Conference basketball play in Southern Illinois gets into high gear this weekend with eight games in three leagues, headed up by a Collinsville-Granite City clash here tomorrow night.  
 Madison travels to Bethalto the same evening to open the Midwestern league portion of its schedule, while Venice begins Madison-Clinton-Macoupin counties loop play at Weslin Friday. Independent Lincoln of Venice will enjoy an open weekend in preparation for a Dec. 15 battle with Attucks at Carbondale.  
 The district's first tournament also will be staged over the weekend at Roxana, where the host school, St. Anthony's of Effingham, Highland and Edwardsville will vie for the title in Friday and Saturday night contests.  
 Edwardsville currently leads the infant Southwest Conference race by virtue of a 72-69 win over Wood River last week. The Tigers will not lose that spot by Saturday, but there will be three other teams with 1-0 SWC records at that point.  
 In addition to the GCHS-Collinsville clash, other Friday SWC

## GC Education Group Hears Assembly Report

A report from the Delegate Assembly of the Marquette Division of the Illinois Education Association was heard by the Granite City Education Association at a meeting of the association at Niedringhaus school Monday evening.

A social period following was in charge of Miss Marguerite Barker and Miss Virginia Segar, and a business discussion was held. Miss Lucy Parrish presided in the absence of the president, James Swank.

Miss Towery, treasurer, reported \$2500 I.E.A. dues representing 198 members, \$785 NEA dues representing 77 members, and \$86.50 Granite City Education Association dues representing 133 members.

Miss Towery reviewed a number of bills concerning education which are before the Illinois Legislature. She also gave statistics concerning membership percentages in the counties which belong to the Marquette Division.

In her report of the NEA convention, Miss Towery listed the seven-point priority program adopted by NEA for 1963. It includes maximum learning opportunities for all time to teach; professional standards with autonomy and freedom; financial support; public understanding; professional negotiation; and strong professional associations.

She stressed the resolution adopted by the Representative Assembly . . . "that in all circumstances should the solution of differences between professional associations and boards of education be sought through channels set up to handle industrial disputes."

Miss Towery mentioned further that the Representative Assembly also passed a resolution calling on NEA's affiliated state associations to cooperate in developing guide lines which would define, organize and definitely specify steps for invoking sanctions by the teaching profession as a means of preventing unethical or arbitrary policies or practices that have a harmful effect on the welfare of schools.

Three guests, teachers at Sacred Heart school, also were present.

## No-Parking Zone On Jill

Establishment of a no-parking zone on Jill avenue along the new Medical building between Nameoki road and Myrtle avenue was approved Monday night by Granite City council members with the adoption of an ordinance.

## 141 GC Steel 25-Year Employees To Be Honored Tonight

Granite City Steel Co. this evening will honor 141 employees who have completed 25 years of service during 1962. The annual service awards dinner will be held at Hotel Statler-Hilton, St. Louis.

This increases to 611 the number of employees who have completed 25 or more years with the company, which usually employs about 6000 men and women.

Nicholas P. Veeder, chairman of the board and president, will present watches to each of the 25-year veterans. Granite City Steel's rate of labor turnover has traditionally been very low, and a business discussion was held. Miss Lucy Parrish presided in the absence of the president, James Swank.

## Christmas Packages Should Be Mailed By Next Monday

All Christmas gift packages should be in the mail by next Monday, Granite Cityans are being warned again this week by postal officials. They said cards for out-of-town delivery should be mailed by Dec. 15th.

Postmasters Theodore Overbeck of Granite City, Harry Johnson of Madison and Charles Simmons of Venice this week restated previous pleas to their local postal patrons to help the post office deliver all Christmas mail on time.

In addition to getting packages into the mail as soon as possible, these sending gifts are urged to take proper precautions

to assure that parcels are securely wrapped.

"Pack your Christmas gifts in strong corrugated cartons," Overbeck said. "Use plenty of stuffing material to insure safe delivery. Seal packages with heavy adhesive tape and tie them with good, strong cord."

The postmaster said these precautions will help assure safe arrival of Christmas packages, even to more distant points.

As a final reminder, he said persons mailing gifts should ask about parcel post size and weight limitations when they buy stamps at the post office.
